WELCOME FROM PRESIDENT & EXECUTIVE VICE PRESIDENT

Welcome to another year serving the Urshan Community, where it is our mission to prepare Apostolic men and women through higher education for service in the church and to the world. It is a privilege to be part of this unprecedented endeavor. We are at the cutting edge of Oneness Pentecostal education, contributing to and influencing the entire Apostolic movement.

The Urshan System is unique in three ways. First, we are owned and operated by the United Pentecostal Church International (UPCI), and we represent the UPCI. The mission of the UPCI is to carry the whole gospel to the whole world by the whole church, and our mission is part of this mission. Secondly, we have expanded beyond the Bible college model, offering Apostolic education that prepares undergraduate and graduate students for ministerial and professional vocations. Lastly, UGST has obtained national accreditation, and the Urshan System (UC and UGST) is pursuing regional accreditation.

As the administration, faculty, and staff of Urshan, we are here to support our students in their educational and spiritual journeys. We encourage you to connect with your Urshan co-workers, form impactful relationships with students, and find a meaningful place within the Urshan family.

In Him,

David K. Bernard, President
Jennie Russell, Executive Vice President

THE URSHAN STORY

Urshan College and Urshan Graduate School of Theology are named in honor of Andrew D. Urshan and Nathaniel A. Urshan, whose ministries represent a century of global Apostolic Pentecostal leadership. Andrew Urshan, an Assyrian immigrant from Persia to the United States, was the prototypical Oneness pioneer. His hunger for God led him from mainline Protestantism through the Holiness Movement to Pentecostalism. He then carried the gospel across North America, established the first Pentecostal churches in Russia, and pastored in New York City. In the mid-twentieth century, his son Nathaniel Urshan preached camp meetings across North America that were significant in the expansion of Oneness Pentecostalism. After pastoring one of the most influential churches in the movement, Nathaniel Urshan served as the general superintendent of the United Pentecostal Church International from 1978 to 2001.

In April 1998, Timothy Dugas, a pastor in suburban St. Louis, Missouri, initiated a committee to explore the formation of the first UPCI-owned seminary. From 1998 to 1999, various committees developed a proposal for the UPCI General Board. In 1999, the UPCI General Conference in Nashville, Tennessee voted to establish Urshan Graduate School of Theology.

The UGST board of directors held its first meeting in St. Louis, Missouri, in January 2000, choosing Nathaniel A. Urshan as chancellor, Jesse F. Williams as board chair, and David K. Bernard as president. The board of directors and the president installed the founding faculty for the first semester in August 2001: Raymond L. Crownover, James A. Littles Jr., David S. Norris, and Gerald L. Truman. In 2010, UGST earned full accreditation with the Association of Theological Schools, a national accrediting commission for seminaries.

Under the ownership of the UPCI Missouri District, Gateway College of Evangelism began offering classes in 1968 in the St. Louis area. In 1971, the Bible college purchased a campus that had formerly been St. Stanislaus Seminary, the oldest college campus west of the Mississippi River. A portion of this campus was rented to UGST when it began operations in 2000.

In October 2011, the UGST board of directors and the UPCI General Board approved a plan for UGST to acquire Gateway College and use it to establish a new undergraduate Christian college. Under this plan, the college would offer a variety of majors in addition to ministry and would seek regional accreditation. After months of collaboration between the boards, administration, faculty, and staff of both institutions, the transition from Gateway College to Urshan College was completed on July 1, 2012. In 2014, UC and UGST established the Urshan Collegiate Support Organization and, through this corporation, officially acquired the Florissant campus in 2015.

UNDERSTANDING THE URSHAN SYSTEM

VISION

THE VISION OF THE URSHAN SYSTEM

Aspiring to reach the world and equip the church by educating Apostolic servant leaders one student at a time.

MISSION

THE MISSION OF THE URSHAN SYSTEM

The mission of Urshan is to prepare Apostolic men and women through higher education for service in the church and to the world.

THE MISSION OF URSHAN COLLEGE

The mission of Urshan College is to educate, equip, and empower Apostolics for life and servant-leadership in the church and the world.

CORE VALUES

URSHAN COLLEGE CORE VALUES

Urshan College is United Pentecostal in teaching and practice, serving the global Apostolic community. As a college, we are committed to the following:

- *A Biblical Foundation*
UC academic programs work to cultivate a deep and enduring faith that affirms the practical teaching of Scripture as it is applied in daily life.
- *Academic Excellence*
Our curriculum seeks to integrate faith and learning in a scholarly environment that fosters critical and creative thinking, academic excellence, and professional competence.
- *Spirit-Filled Community*
UC aspires to be an interdependent community of students, faculty, and staff who honor and obey Jesus Christ by living Spirit-filled lives.
- *The Pursuit of Purpose*
The UC community encourages each individual to discover God's unique purpose and to develop personal potential as a celebration of that holy purpose.
- *Servant Leadership*
UC works to educate students to experience and engage the world in ways that empowers them as leaders to serve and transform their professions, churches, and communities.

STATEMENTS OF FAITH

The following statements provide a summary of biblical doctrine that is affirmed by the United Pentecostal Church International and the Urshan System:

- *About God*
There is one God, who has revealed Himself as our Father, in His Son Jesus Christ, and as the Holy Spirit. Jesus Christ is God manifested in flesh. He is both God and man. (See Deuteronomy 6:4; Ephesians 4:4-6; Colossians 2:9; I Timothy 3:16.)
- *About the Bible*
The Bible is the infallible Word of God and the authority for salvation and Christian living. (See II Timothy 3:15-17.)
- *About Sin and Salvation*
Everyone has sinned and needs salvation. Salvation comes by grace through faith based on the atoning sacrifice of Jesus Christ. (See Romans 3:23-25; 6:23; Ephesians 2:8-9.)
- *About the Gospel*
The saving gospel is the good news that Jesus died for our sins, was buried, and rose again. We obey the gospel (II Thessalonians 1:8; I Peter 4:17) by repentance (death to sin), water baptism in the name of Jesus Christ (burial), and receiving the gift of the Holy Spirit (resurrection). (See I Corinthians 15:1-4; Acts 2:4, 37-39; Romans 6:3-4.)
- *About Our Fundamental Doctrine*
The basic and fundamental doctrine of this College is the Bible standard of full salvation, which is repentance, baptism in water by immersion in the name of the Lord Jesus Christ for the remission of sins, and the baptism of the Holy Ghost with the initial sign of speaking with other tongues as the Spirit gives utterance.
- *About Christian Living*
As Christians, we are to love God and others. We should live a holy life inwardly and outwardly, and worship God joyfully. The supernatural gifts of the Spirit, including healing, are for the church today. (See Mark 12:28-31; II Corinthians 7:1; Hebrews 12:14; I Corinthians 12:8-10.)
- *About the Future*
Jesus Christ is coming again to catch away His church. In the end will be the final resurrection and the final judgment. The righteous will inherit eternal life, and the unrighteous eternal death. (See I Thessalonians 4:16-17; Revelation 20:11-15.)

HONOR CODE

The Urshan Honor Code is rooted in specific character values from Scripture and reflect the message of Micah 6:8, “He has shown you, O man, what is good; And what does the Lord require of you but to do justly, to love mercy, and to walk humbly with your God.”

The Urshan Honor Code is the highest obligation of the entire Urshan Community. Every member of the Urshan Community is Honor Bound:

- *To do what is good:*
Promote and uphold the Christ-like values of honest, honor, integrity, and love for others.
- *To do justly:*
Uphold academic integrity regarding cheating and plagiarism.
Embrace honesty and the pursuit of truth in communication.
Embrace sexual purity.
- *To love mercy:*
Model behavior that fosters a safe and peaceful environment.
Compassionately confront any person you believe to be in violation of the Honor Code.
Inform the appropriate community authority if unresolved (Matthew 18:15-20).
- *To walk humbly with your God:*
Display selfless service and Christ-like humility.

PROVISIONAL ACCEPTANCE

Applicants not meeting the requirements for unconditional admission but showing other indications of ability to handle the academic rigors of Urshan College may be admitted provisionally at the discretion of the admissions committee. Such admission will place the applicant on provisional status (see Academic Probation policy for details).

LEAVE OF ABSENCE

Students who wish to withdraw from the current semester or who do not wish to attend a future semester may remain enrolled by obtaining an approved leave of absence. Students returning from an approved leave of absence while in good standing, and who do not have any other restrictions or conditions of enrollment may enroll in the College for a subsequent semester with the privileges of a returning student. Students on an approved leave of absence retain their admitted student status; however, they are not registered and therefore do not have the rights and privileges of registered students. Students on leave may complete coursework for which an 'Incomplete' grade was reported in a prior term and are expected to comply with the maximum time limit for resolving incompletes. Dormitory housing is not available to students while on a leave of absence.

Leaves will not be granted for more than two consecutive semesters. Leaves may not exceed a cumulative total of two academic years. The deadline for obtaining a leave of absence corresponds to the course withdrawal deadline, which is the last day to withdraw from a course and receive a "W." The standard withdrawal and refund policies apply to students who withdraw with a leave of absence. Students are responsible for completing the Leave of Absence Request Form from their Populi homepage. A leave of absence submitted after that deadline is granted only for extraordinary health and emergency reasons or activation of active duty status.

Students who do not return to the College after a leave of absence has expired or do not apply for an additional Leave of Absence must reapply to the College.

STUDENT'S RIGHT-TO-PRIVACY OF RECORDS

The Family Educational Rights and Privacy Act (FERPA), 34 CFR Part 99 provides certain specific rights to students concerning the privacy of information obtained or generated by an educational institution. Although Urshan College is exempt from these regulations because the College does not receive federal funds administered by the federal Department of Education, student right to privacy of information is an important moral issue that the College takes seriously. As a result, the college voluntarily complies with the intent and major regulatory provisions of FERPA. All administrators, faculty and staff (handling student records and/or information) are FERPA certified.

As an institution of higher education, all students enrolled in Urshan College, regardless of age, are considered adults for information privacy purposes. College students are considered by law to be responsible adults who may determine who will receive information about them. This means that, except for directory information, no educational records may be disclosed without written permission of the student, with the following exceptions:

- College administrators, faculty, and staff with a legitimate educational interest;
- Other schools to which a student is transferring;
- Appropriate parties dealing with financial aid to a student;
- Any contractor, consultant, volunteer, or other party to whom the College has outsourced college services;
- Organizations conducting certain studies for or on behalf of the school;

- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- Federal, state and local authorities, pursuant to specific law.

Educational information includes, but is not limited to student academic and disciplinary information such as grades, GPA, transcripts, warnings, probations, and suspensions. College administrators, faculty, and staff are prohibited from discussing such information with parents, pastors, or other interested parties without the written permission of the student. This makes the sharing of student information with parents or pastors a family or church issue rather than a College issue, providing important opportunities for meaningful dialogue with the student.

If a student signs a privacy waiver, it allows the College to release academic information only if that information is requested. That is, parents or pastors must request specific information; it will not be sent automatically. Students may withdraw a privacy waiver at any time simply by filing a written request with the College office. However, the College is not liable for disclosure of private information if it has acted in good faith under a previously filed privacy waiver.

Students may inspect and review their educational records maintained by the College during regular office hours, but may not copy the records or remove them from the College office. Students may request that the College correct records which they believe to be inaccurate or misleading. If the College decides not to amend the record, students have the right to a formal hearing. After the hearing, if the College still decides not to amend the record, students may place a statement with the record setting forth their view about the contested information.

Urshan College may disclose, without consent, directory information including the student's name, spouse's name, address, telephone number, email, photo, denomination, home church, date and place of birth, Urshan College honors and awards, dates of attendance, program of enrollment and concentration, enrollment type (full time, part time, less than half time), degree earned, and date of graduation. This privacy policy does not apply to aggregate data or anonymous data that reasonably protects personally identifiable information.

The deferred payment fee and a minimum down payment of \$1,000 are due in full at the beginning of each semester.

ADDITIONAL FINANCIAL POLICIES

NON-PAYMENT OF FEES

Non-payment of tuition or other charges due the College or otherwise affecting the College will prohibit the student from receiving certain services. Students with outstanding financial obligations to the College will not be allowed to register, obtain transcripts, or receive official verification of enrollment. Students whose payment plan is more than one month in arrears may be asked to withdraw from the College.

ENROLLMENT STATUS CHANGE

Students who fall below full-time status or move from part-time to full-time status resulting from adding or dropping courses, will be subject to all College policies related to their new status beginning at the time the Drop/Add Form has been received in the Office of the Registrar.

END-OF-YEAR TOURING GROUPS (CHORALE)

To participate in end-of-year touring groups and summer recruiting trips, a student must have a zero-account balance.

REFUND POLICY

REFUNDS OF TUITION

It is understood that any terms extended to any student are for convenience in paying the tuition and fees and are not in any way to be considered as payment(s) for periods of time. By accepting applications, the College has assumed the obligation of furnishing a complete program, instructors, equipment, classrooms and other facilities necessary for teaching those programs at the stated offered tuition cost and with the understanding that refunds will be made per academic term only.

The account of students who drop classes or withdraw from the College will be credited according to Table 5. The Refund Scale on the following page.

Refunds are calculated based on the date the student officially withdraws from the College. No refunds shall be provided in case of an unauthorized withdrawal. Failure to file the signed withdrawal form with the dean of students within two weeks of the last attendance in an on-campus class constitutes an unauthorized withdrawal. For students in short-term courses, failure to file the signed withdrawal form with the director of distance learning within 48 hours of the last attendance in class constitutes an unauthorized withdrawal. Refunds will be made to the student within 30 days of official withdrawal. Refunds will not be paid to any person other than the student.

Students who drop short-term courses (e.g. online courses) will be credited according to Table 6. Course Withdrawal Credit Scale. Students may drop a course even if the course has not yet met.

Students receiving benefits administered by the Department of Veterans Affairs shall be entitled to a refund of 90% of the exact pro rata amount of tuition and fees. The exact proration will be determined by dividing the number of class days remaining in the semester at the time of official withdrawal by the total number of class days in the semester. Where the amount of refund is less than that which would be applied under the standard refund policy, the standard policy shall apply. Refunds will be paid to the student within 40 days of official withdrawal. (38 CFR 21.4255)

CANCELLATION OF ENROLLMENT AGREEMENT

The enrollment agreement may be cancelled by the student with full refund of tuition, fees, and room and board within three business days of the first day of class with a full refund of all monies paid. The student must file an official withdrawal form (available from the dean of students). After three days, any refunds are calculated based on the standard refund schedule.

CANCELLED COURSES

The College may cancel any course because of insufficient enrollment or if the instructor becomes unexpectedly unavailable. Full refunds of applicable tuition and fees are granted when the College cancels a course.

Table 5. Tuition Refund Scale

COURSE FEES

Course fees are refunded only if the course is dropped before the first day of class or if the course is cancelled by the College.

STUDENTS CALLED TO ACTIVE MILITARY DUTY

Full refunds are granted to reserve military students who must withdraw from College due to being called to active duty, provided those students qualify for and obtain an approved leave of absence from the College.

ROOM AND BOARD

Unused room and board payments will be refunded at the time of official withdrawal from the College with the following guidelines:

A resident who withdraws or is suspended for academic reasons by the College at the end of a semester or term is entitled to a prorated refund of prepaid room and board.

A resident who is suspended or expelled by the College or removed from a residence hall for reasons of improper conduct or violation of College policy or regulations is not entitled to any refund of deposit or room and board.

The student's bill must be current. If tuition is owed, the College will not refund room and board.

Room and board refunds are calculated based on the last day of the week following the date the student officially withdraws from the College. No refunds shall be provided in case of an unauthorized withdrawal. Failure to file a signed Withdrawal Form with the dean of students within two weeks of the last attendance in class constitutes an unauthorized withdrawal.

REPAYMENT OF FORFEITED SCHOLARSHIPS AND GRANTS

Students who receive a scholarship or grant from Urshan College, but withdraw from College before the end of the academic year for which the financial aid was applied, will have any tuition refund reduced by the applied amount of financial aid.

CHANGE IN TUITION RESULTING FROM ADDING OR DROPPING A COURSE

Students who add classes must pay any additional tuition charges and course fees incurred at the time they submit the Drop/Add Form.

INSTITUTIONAL FINANCIAL AID

FINANCIAL AID ADVISING

Each Urshan College student deserves the best financial aid advisement possible and the UC Financial Aid office staff are committed to providing current and accurate advisement for a variety of potential student financial aid sources. Every student should contact the UC Financial Aid office for personal assistance and to answer any financial aid questions they may have.

Financial aid is defined as money provided to students and their families as either “gift aid” or “self-help” to assist in paying college costs. “Gift aid,” as the name implies, is free money such as scholarships and grants, which students do not have to repay. “Self-help” programs include loans and employment and are so named because students must repay loans and work for money awarded through employment programs. Awards to students consist of scholarships, grants, loans, and employment—singly or in combination (See UC Financial Aid Handbook).

OTHER FINANCIAL AID SOURCES

Scholarship, grant and loan opportunities and eligibility requirements are listed under the Admissions tab on the college website, www.urshancollege.org. Any questions you may have about financial aid at Urshan College can be emailed to scholarships@urshancollege.org. Additional financial aid may be available from numerous sources, including the student’s home church or district, benevolent associations and private and public charitable funds.

ACADEMIC POLICIES AND PROCEDURES

As expressed in its mission statement, Urshan College exists “to educate, equip, and empower Apostolics for life and servant leadership in the church and in the world.” The college believes its academic programs and practices contribute significantly to this holistic mission. Every member of the Urshan community is called to this collaborative effort. The board members, administration, faculty, staff, and students work together to achieve this “life and servant-leadership” curriculum. If there occurs any apparent discrepancy between academic policies or procedures as presented in this Academic Catalog and those listed in the Student Handbook, the Academic Catalog shall be authoritative.

UNIT OF CREDIT

One unit of credit is assigned for successfully completing the work represented by 50-minute of direct instruction with the professor and two hours out of class work for approximately fifteen weeks per semester. Courses offered in shorter academic terms provide the equivalent number of direct instruction and out of class work.

ADVISEMENT AND REGISTRATION

ACADEMIC ADVISEMENT

After admission to Urshan College, students are assigned to an academic advisor within their chosen major (typically, the Program Director). The academic advisor plays a vital role in helping students choose majors and semester classes and developing long-range academic, career, and ministry plans. Advisement is a continuous process that begins with matriculation and continues throughout the student’s college career. However, it remains the responsibility of the student to know and fulfill the requirements necessary for obtaining a degree at Urshan College. Students should maintain their own records with copies of all official correspondence with the College. Students should check academic advice against the official policy of the College as it is found in published documents.

ACADEMIC LOAD

Students are expected to give first-priority to the preparation of assignments, to class attendance, and to class participation. Outside study time will vary with each class. Generally, two hours of outside study time are required for each hour of in-class time. For the college experience to be fulfilling, students must strive to grow through the knowledge offered in class and outside study.

All students should adjust their semester course load according to their academic ability, extent of extracurricular activity, and the amount of outside employment to maintain a high academic standard. The academic load of any student is subject to reduction or limitation by the administration for low scholarship, excessive outside employment, and other influences that may adversely affect a student’s academic progress in college. A student carrying more than 18 hours (excepting choir) may do so only by permission of the academic dean.

DUAL ENROLLMENT

Urshan College has established a cooperative agreement with St. Louis Christian College which allows students to take courses from this institution that may be combined with Urshan credits to determine full-time status to living in campus housing. A student must carry an academic load of at least 12 credit hours to live on campus unless given special permission. At least 6 of those hours must be taken at Urshan College. Students will be charged all applicable tuition and fees.

Students desiring to transfer credits earned at another institution while enrolled at Urshan are encouraged to obtain approval through the Office of the Registrar before enrolling in the course.

REGISTRATION

When applicants have been admitted to the College, they are eligible to register for courses. The specific time for registration each semester is given on the College calendar. A late registration fee is imposed upon those students who do not register during these periods. Music majors must audition and take entrance exams as part of their initial registration process.

ADDING OR WITHDRAWING FROM COURSES

Students' choices of classes, once made and filed, are expected to be in effect for the semester. If course changes are necessary, students must request the change on the proper form. The College calendar lists the deadlines related to dropping or adding courses. No exceptions will be made to these deadlines. Students will continue to accrue absences until all fees are paid and the appropriate paperwork has been processed. Students who stop attending a course without officially withdrawing are automatically given a failing grade for that course.

CHANGE IN TUITION RESULTING FROM ADDING OR DROPPING A COURSE

Students who add classes must pay any additional tuition charges and course fees incurred at the time they submit the Add/Drop Form. See Refund Policy in the Finance section.

WITHDRAWAL FROM COLLEGE

Withdrawal during the semester is inadvisable; however, when unavoidable circumstances make it necessary the matter should be discussed with the dean of students who will initiate, if necessary, a withdrawal process.

Failure to complete the withdrawal process within two weeks of the last class attendance constitutes an unauthorized withdrawal. No refunds shall be provided in case of an unauthorized withdrawal. In addition, unauthorized withdrawal will result in a failing grade being entered for all courses in which the student is registered. Students are considered enrolled until they complete all withdrawal procedures.

Students who withdraw from the College have 48 hours to vacate the premises. All student conduct regulations remain binding until withdrawing students have left the campus.

CHANGE OF MAJOR

A change of major request form is available from the Populi home page. It is understood that a change of major may extend the student's time at Urshan College.

COURSE CANCELLATION

The College may cancel any course because of insufficient enrollment or if the instructor unexpectedly becomes unavailable. Full refunds of applicable tuition are granted when the College cancels a course.

CLASSROOM POLICIES

ATTENDANCE POLICY

Students are expected to attend each class session, but the following minimum attendance is required:

Course with 15 class sessions: minimum attendance is 13 class sessions (2 absences)

Course with 30 class sessions: minimum attendance is 26 class sessions (4 absences)

Course with 45 class sessions: minimum attendance is 39 class sessions (6 absences)

Students who surpass the maximum number of allowed absences listed above will fail the course.

Students may also incur grade penalties for any absences in the course as outlined in the attendance policy of the course syllabus.

The Academic Dean may authorize an excused absence in the following circumstances:

- Student participation in authorized activities as an official representative of the college (e.g., chorale trips, outreaches, youth convention promotion trips)
- Death of an immediate family member (parent, sibling, spouse, or child); and
- Other activities and/or extreme personal emergencies deemed by the Academic Dean to warrant an excused absence

It is the student's responsibility to obtain verification of an excused absence by contacting the Academic Dean, apart from college-authorized activities, where the responsibility will fall to the coordinating or supervising member of the college staff, faculty, or administration. Requests for excused absences should be submitted, whenever possible, to the Academic Dean at least one-week prior unless the nature of the absence precludes such notification. Requests submitted after the actual absence may not receive approval.

CLASS VISITORS

Students who wish to bring visitors to class must obtain permission from their individual instructor before the class session.

COURSE AUDIT POLICY

Urshan College allows students to audit select courses without receiving a grade or credit. Taking a course as an audit means the student will be expected to regularly attend classes and, at the discretion of the course professor, do some of the assigned work (e.g., course readings, post on discussion boards). It is understood that a student chooses to audit a course to self-enrichment and academic exploration.

Audits are only offered on a space-available basis with approvals of both the course instructor and the Academic Dean.

The following guidelines apply to audited courses:

- A change from an audit to a credit basis must be made by the same deadline as adding/dropping a course (by the end of the second week of classes); students will be responsible for all additional, adjusted tuition charges. Students may not register for an audit after the second week of classes.

- A change from a credit to an audit must be made by the end of the fourth week of classes; students will only be eligible for the tuition refund as provided for in the standard tuition refund schedule.
- A student who elects to audit a course will have the letters “AU” entered on the transcript under credits; an audited course does not earn college credit or impact the student’s GPA; and
- Students who audit a course are required to pay the same fees as students taking the course for credit. Audits may affect a student's eligibility for financial aid (including Social Security and Veterans' benefits). Students should contact the Business Office for more detailed information.

COURSE CONTENT

All course content (video lectures, readings, PowerPoints, discussion posts, etc.) is provided for the access of the enrolled student. Enrolled students are not to download, copy, or otherwise share this information with any person not enrolled in the course without prior permission of the course professor. Violations of this policy will be considered an act of plagiarism and will be subject to disciplinary action according to the Academic Due Process policy.

EXAMINATIONS

Examinations, tests, and quizzes are to be taken on the dates scheduled unless prior arrangements have been made with the course instructor. Make-up exams are only allowed at the discretion of the individual instructor. Final exams are to be taken at their scheduled time only unless special permission is granted in advance and in writing by the academic dean.

FACULTY RIGHT TO ESTABLISH ADDITIONAL CLASSROOM POLICIES

Faculty members, at their discretion, may establish additional policies in the course syllabi related to classroom decorum, the use of electronic devices in class, and other rules designed to maintain a classroom environment that is conducive to learning and the respect of others. These rules and policies may include reasonable penalties for violation.

INCLEMENT WEATHER

As a residential college Urshan College will usually remain open even during periods of inclement weather. In the case of inclement weather that poses a significant safety risk, the administration will make decisions concerning the closing of the College. The decision will be made by 7:00 a.m. for any given day so that arrangements can be made for early classes. News about closures will be available through the College’s website and learning management system so that all students and employees can receive the latest information from one central outlet. Any individual class cancellations will be communicated to students by the course instructor or the academic dean.

INDEPENDENT STUDY POLICY

Independent study is designed as an educational enrichment for students who direct their own learning. The subjects covered in the independent studies must be specialized areas of study not reflected in offered courses. The total credit hours of Independent Study may not exceed one-fourth of all elective credits earned by the student. However, at the discretion of the academic dean, exceptions may be made in the case of scheduling conflicts caused by the College where the graduation in the planned major is in jeopardy. To be eligible for Independent Study, the student must be either a junior or senior with at least a 3.25 CGPA. A supervising faculty member will provide guidance in all phases of the process: development of objectives, design of learning experiences, and evaluation of learning outcomes.

RECOMMENDED WORKLOAD:

Required reading - 500 pages of reading per credit

Required writing - 5 pages of reflection and 5 pages of research (not book reports) per credit

Work must be completed prior to the last day of final exams if taken during the semester. Independent studies attempted during the summer must be completed by September 15. The student will submit a proposal for independent study to the academic dean. The proposal, already signed by the student and the instructor, will include a course description, course objectives, a reading schedule, and project assignments. The initial proposal submission is due by the first class of the semester. The final draft and approval is needed by the end of the drop/add period. If a student does not have a completed proposal on file with the registrar by the end of the drop/add period, then registration for the course will be cancelled. The academic dean will approve, make recommendations, or reject the proposal. Then the independent study can begin when approved.

Copies of the approved independent study will be given to the student, instructor, advisor, academic dean, and registrar (for the permanent file).

Tuition for Independent study credits is the same as classroom credits. See the tuition schedule in this Academic Catalog.

INTERNSHIP POLICY

Students may complete three credits of internship to fulfill elective or program requirements (see degree program requirements); each 50 hours of service within an approved internship will count as 1 credit hour of internship. Internship credits will be evaluated on a pass/fail basis. Internship placement must be in a position that is applicable to their degree major and/or concentration. A student may complete an internship for credit at Urshan College if they meet the following requirements: completed 60 hours of total college credit, either at UC or another school, maintaining a 2.0 or higher cumulative GPA, and are in good standing according to the Dean of Students (See UC Internship Handbook.).

ACADEMIC HONESTY

Plagiarism, cheating, and dishonesty are in direct opposition to a Christian life and the goals of Urshan College. It is assumed that all students enrolled at Urshan College have done so for the primary purpose of learning. Students are expected to refrain from those actions that contradict this purpose and which would jeopardize their Christian character and testimony.

Cheating is considered a serious offense against a student's Christian character and testimony. Cheating includes copying from another person's test paper, using concealed information during examinations, falsifying reports, giving reports and papers to other students, giving information to another person during examinations, obtaining information from a student who has already taken the examination, using another student's work, and submitting the same assignment in more than one course (without permission of the instructor).

Plagiarism is defined as copying, paraphrasing, or closely imitating any part of a published or unpublished book, paper, or web source without properly identifying the author. This also includes the use of the language and thoughts of another person while representing them as one's own. Students are urged to take advantage of online plagiarism checkers to help avoid unintentional plagiarism. Plagiarism is a violation of the intellectual property rights of another person and a failure to give honor to whom honor is due.

Students who believe another student is cheating or plagiarizing should handle the situation according to the Peer Accountability policy. Concealing dishonorable practices is detrimental to the spiritual and academic atmosphere of the Urshan community.

Faculty members shall exercise proper diligence to prevent academic dishonesty. Any faculty member who has assembled evidence of plagiarism will first offer the student a chance to provide an alternate explanation of the evidence or to admit fault. If the faculty member concludes there has been an incident of plagiarism (as defined above), and it is a first-time offense, the faculty member may determine an appropriate punishment in consultation with the Academic Dean. All subsequent incidents of plagiarism will be reported to the Academic Affairs Committee (AAC), who will conduct a full investigation. A letter of action from the AAC will be given to the student, and copies of the letter and pertinent documentation will be placed in the student's file. The disciplinary actions of the AAC may include:

- a zero on the assignment
- a failing the course
- academic suspension for 1 semester
- expulsion from the College

A record of past plagiarisms may affect the action of the Academic Affairs and the Scholarship Committees.

LEARNING RESOURCES

LIBRARY

The Urshan Library is a member of the Missouri Resource and Education Network (MOREnet) and the St. Louis Regional Library Network (SLRLN), which offers faculty and students access to over ninety academic and research libraries in the St. Louis area.

Databases may be used both in the library and online. Access to the library materials is open to students, staff, faculty, alumni, friends of the library, and members of SLRLN during regular library operating hours.

Library hours are posted on the website (<http://www.urshancollege.org/library>).

The library space provides reading rooms, conference rooms that may be reserved for group study, and individual study rooms. There is a printer/copier available for students and guests to use for a per-copy fee.

The Urshan Library Handbook is provided to each student upon enrollment, and contains information regarding catalog and database usage, reserve materials, general library policies, student services available within the library, and library staff. Additionally, three tutorial videos can be found on the library webpage. These tutorials provide a tour of the library as well as catalog and database search procedures (See UC Library Handbook.).

URSHAN STUDENT SUCCESS CENTER

The Urshan Student Success Center serves as a compass to help all students within the Urshan system navigate their academic careers. The USSC will support your students at any level and ability in their course work, personal development, and career planning. Student academic success and on-time graduation will be facilitated by a collection of services that are easily accessible, fully functioning, and held to accountability standards set by the administration and implemented by the student success center director and staff.

All UC and UGST students may take advantage of the services offered by the Urshan Student Success Center. These services include:

- Academic Coaching: face-to-face advising as well as access to electronic course modules that students can take to improve study skills, note taking, time management, etc.
- Writing Center: tutoring to sharpen skills in research, writing, and reasoning skills. Services are available to all students regardless of classification or degree program. Students on academic probation or with known deficiencies in writing may be required to seek help from the Writing Center.
- Peer2Peer Tutoring: students who wish to support their peers academically volunteer time in the USSC.
- Academic Mentoring: incoming students who are admitted on provisional status as well as students who have not maintained satisfactory academic progress, will have regularly scheduled meetings with the Student Academic Support Officer(s). These mentoring meetings are designed to help students achieve their personal GPA goals as well as continued academic success.
- Counselling referrals: students may receive referrals for access to professional counselling services for their mental and emotional health

The Urshan Library has partnered with the United Pentecostal Church International to provide the Center for the Study of Oneness Pentecostalism (CSOP). Located on the Urshan Library ground level, CSOP is the world's largest collection of Oneness Apostolic source materials and includes a museum, historical archives, and reading rooms.

TECHNOLOGY RESOURCES

The entire Urshan campus is Wi-Fi accessible to students, employees, and guests. The Urshan System makes extensive use of cloud applications such as Instructure's Canvas learning management system, and Google Apps for Education (including Gmail, Calendar, Drive, Docs, and Hangouts).

Urshan provides a computer lab with five personal computers, which provide access to online research, the library catalog, and the Microsoft Office software suite. Any specialized software that is requested by the faculty for the students' successful completion of courses is procured and installed as needed.

TECHNOLOGY RECOMMENDATIONS

The College-wide learning management system is Canvas by Instructure, the only learning management software native to the cloud. Access to course materials is achieved using your own web browser. We recommend a fast computer running Windows 7 or higher or Mac OS X 10.5 or higher, a broadband internet connection, the latest edition of Mozilla Firefox, Google Chrome, or Microsoft Internet Explorer (preferably two different browsers), Adobe Acrobat Reader, and word processing software (MS Office Word, strongly preferred). Advances in technology may necessitate changes in these requirements.

ACADEMIC EVALUATION

To record the level of student achievement and to stimulate quality work, the College's system of evaluating work performed is expressed in terms of letter grades with plus and minus and numerical grade points. See Table 7. Urshan College Grading System.

INCOMPLETE GRADE

An incomplete is allowed only upon approval of the academic dean for work that is incomplete at the end of the semester due to factors beyond a student's control. Students may obtain the Incomplete Grade Request Form from their Populi home page. The form must be completed before the class's final exam begins. This mark is temporary and may be changed to any other mark upon completion of the course requirements. This mark automatically becomes an "F" if it has not been cleared within 3 weeks after the end of the course for which it has been given. Students requesting an incomplete for a short-term course are allowed only one additional week to complete the missing assignments.

GRADE POINT AVERAGE

The student grade point average (GPA) is a measure of academic achievement. The grade point average is computed by taking the sum of credits for each course multiplied by the grade point equivalent of the grade for the course and dividing by the total credits attempted. Courses that earn a "P," "WP," or "W" are excluded from the calculation. The cumulative grade point average (CGPA) is calculated in the same manner, but for all courses attempted while a student at Urshan College. Transfer credits and dual enrollment credits earned at other institutions are not considered when computing the GPA or CGPA.

SATISFACTORY ACADEMIC PROGRESS

A minimum cumulative grade point average (CGPA) on a graduated scale and class attendance within the required range is considered satisfactory academic progress. Students are placed on academic probation when their CGPA drops below the required minimum and/or their class attendance falls below the required range. The CGPA and attendance must meet the minimum required level for probationary status to be removed. If a student fails to achieve the minimum CGPA for two consecutive semesters, the student will enter academic suspension.

MINIMUM CGPA REQUIREMENTS

Students in a Bachelor's program will be placed on academic probation when their CGPA falls below the following graded scale:

After one semester: 1.75 CGPA or below

After two semesters: 1.85 CGPA or below

After three semesters: 1.95 CGPA or below

After four semesters: below 2.0 CGPA

Students in an Associate's Degree program will be placed on academic probation when their CGPA falls below the following graded scale:

After one semester: 1.85 CGPA or below

After two semesters: below 2.0 CGPA

ACADEMIC PROBATION

If a student is placed on academic probation or admitted provisionally, the following restrictions shall apply until the CGPA has met the required level for the status to be removed:

The student must resign from any office he/she may hold with the College.

The student can enroll in no more than 13 credits per semester.

The student will be required to meet weekly with a student academic support officer to monitor assignment completion, grades, and overall academic progress.

Students who are on academic probation may also be required to attend regular Writing Center appointments and/or engage the services of a peer tutor.

ACADEMIC SUSPENSION

If a student fails to achieve the target CGPA after two consecutive semesters on academic probation, the student will enter academic suspension and will not be allowed to enroll in any Urshan College courses for the following semester. After submitting an acceptable academic development plan to the Academic Affairs Committee, the student may return to the College on academic probation and enroll in courses. If, by the end of two additional semesters, the student has failed to achieve the target CGPA, he or she will be returned to suspension status. To return, students must present compelling evidence in writing to the Academic Affairs Committee that their chances of academic success have dramatically improved.

After a student has been on suspension for four total semesters the student will be dismissed from the college. Students seeking to return after dismissal for academic suspension will need to complete the entire admissions process again.

SCHOLASTIC HONORS

Urshan College strives to create an atmosphere conducive to scholarship and to provide incentive for academic growth. Maximum achievement is encouraged by giving recognition to those who excel. Students of Urshan College are eligible to receive honors as outlined below:

THE DEAN'S LIST

The Dean's List is published at the end of each semester. To qualify, students must be enrolled in a degree program and must have taken 12 credits or more from Urshan College during the semester. The Dean's List consists of students earning a grade point average of 3.5 or higher.

Dual enrollment students with full-time status may qualify for the Dean's List by requesting that the other institution send an official grade report (not a transcript) to the Office of the Registrar. The two sets of grades will be combined and calculated to determine the GPA. If the GPA is sufficient, students will be placed on the Dean's List. An asterisk will indicate inclusion by this calculation. Requesting grades from other institutions is the responsibility of the student. If the other institution fails to respond to the request in sufficient time, students will not be considered for the Urshan College Dean's List.

ACADEMIC GRADUATE HONORS

To qualify for academic honors, students must have a minimum 3.5 cumulative grade point average (CGPA) and have completed all academic requirements for a bachelor's degree. Students who are participating in commencement exercises but have outstanding academic requirements are not eligible for graduate honors. The academic honors include:

Cum Laude ("with honor")	3.5-3.59 CGPA
Magna Cum Laude ("with great honor")	3.6-3.79 CGPA
Summa Cum Laude ("with highest honor")	3.8-4.00 CGPA

STUDENT CLASSIFICATION

To determine student classification, the following categories are used:

Freshman	Satisfaction of entrance requirements; fewer than 30 credits earned
Sophomore	30-59 earned credits
Junior	60-89 earned credits
Senior	90 earned credits or more

ACADEMIC DUE PROCESS

Students dissatisfied with classroom or academic procedures or decisions should use the following procedure:

Students will attempt to settle differences with an instructor within two weeks of the disputed issue, or in the case of a disputed course grade, within six weeks after the end of the semester.

Students who are dissatisfied with the outcome of the instructor conference may file a written complaint with the academic dean within one week after the conference. The written document should fully describe the issue in dispute and steps taken to resolve the conflict. The academic dean will consult with the instructor before any decision is made. The academic dean will decide within two weeks.

Students who are dissatisfied with the academic dean's decision may file a written complaint with the Academic Affairs Committee via the academic dean within one week of the academic dean's decision. The Academic Affairs Committee will review the steps taken by the student, instructor, and academic dean prior to deciding. The Academic Affairs Committee will make its decision within two weeks. The decision of the Academic Affairs Committee is final.

Grievances with faculty members not directly related to classroom policies and/or assignment grades should be handled according to the Student Grievance Policy (Urshan College Student Handbook, pp. 19–20).

Transcripts will not be released if the student has any past-due financial obligations to Urshan College or to the library.

CREDIT TRANSFERS FROM OTHER INSTITUTIONS

GENERAL CREDIT TRANSFERS

Students may earn credit transfers for an equivalent course(s) previously taken at another institution. Because of wide variations in educational systems, quality, appropriateness and applicability, all potential course transfers will be evaluated by the Registrar before such transfers are granted. This process will ensure these credit transfers are Urshan-equivalent courses based on similar content, level and student outcomes. The Registrar may also consider credit transfers for general elective courses for which there is not an Urshan equivalent course. However, a final course grade of "C" or above from an accredited institution is required to be eligible for credit transfer. Courses graded as "Pass" or "Satisfactory" will be eligible for credit transfer only if the transcript identifies the "Pass/Satisfactory" grade as equivalent to a "C" or higher grade. Official transcripts must be sent directly to Urshan College for evaluation. Credit transfers earned from unaccredited and international colleges will be evaluated on a case-by-case basis.

Urshan College requires that 15 credits of the last 30 credits earned for an associate's degree and 30 credits of the last 60 credits earned for a bachelor's degree must be earned at Urshan. Additionally, the maximum allowable credit transfers (the sum of all general and military credit transfers, CLEP/AP credits, GATS credits and Work Training and Life Experience credits) for any student shall not exceed 30 credit hours.

Requests for credit transfers based on military service will be evaluated using the guidelines provided by the American Council on Education. All credit transfer decisions will be made by the Registrar and occasionally in consultation with the Academic Dean. Students may appeal credit

transfer decisions to the Academic Affairs Committee if they feel their request was denied unfairly. The decision of the Academic Affairs Committee is final.

COLLEGE-LEVEL EDUCATION PROGRAM/ADVANCED PLACEMENT (CLEP/AP) CREDITS

Urshan College accepts up to 30 credits from successfully completed CLEP/AP examinations. The minimum acceptable CLEP and AP examination scores for examinations meeting UC program requirements are 50 and 3 respectively.

GATS Certificate recipients will be required to complete an additional 106 credit hours to meet the minimum credit hour Bachelor's degree requirement (123 hours). Additional credit transfers may be granted on a case-by-case basis.

Urshan College accepts the completed PI diploma as the rough equivalent of 2 Urshan College semesters, depending upon the chosen major at Urshan. PI diploma recipients will be required to complete an additional 96-98 credit hours to meet the minimum credit hour Bachelor's degree requirement (123 hours). Additional credit transfers may be granted on a case-by-case basis.

URSHAN STUDENT LEARNING STANDARDS AND OUTCOMES

PHILOSOPHY

Urshan College strives to educate all its students in the most effective manner to produce not just competent graduates, but exceptional learners. As a result, Urshan College has adopted a set of standardized student learning outcomes that ensures course content harmonizes with end-of-program expectations for student learning and competence. These outcomes were selected from the Degree Qualifications Profile or DQP (Lumina Foundation, 2017). These outcomes describe what students should know and be able to do upon completion of an associate's or bachelor's degree in any discipline. The DQP standards, outcomes and competencies are interwoven in all course design and become critical elements of Urshan College's Assessment program. DQP outcomes are widely recognized and accepted among higher education professionals, and have been adopted by more than 800 institutions in the U.S. and beyond.

DEGREE QUALIFICATIONS PROFILE CONCEPT

The Degree Qualifications Profile (DQP) describes the knowledge, skills and applications that prepare graduates to succeed in the economy, civil society and their own lives. In developing the DQP, two assumptions were made. The first is that today's educational institutions need a shared set of reference points that describe the meaning and value of college degrees at the associate, baccalaureate and master's level. The second is that developing a shared framework can enhance educational productivity by providing much-needed guidance – to students, faculty, employers and policy leaders – both about what students ought to be able to do with their education, for work, citizenship and personal development, and about ways to foster and document students' achievement of DQP competencies, from formal study and from field-based settings such as work or community service.

DQP CATEGORIES OF LEARNING (COMPETENCIES)

DQP 1 - SPECIALIZED KNOWLEDGE

Specialized knowledge is the cornerstone of the professional core curriculum. Students are expected to gain knowledge and skills within a recognized field of specialization and to be proficient at applying that learning to complex problems within their specified field.

DQP 2 - BROAD AND INTEGRATIVE KNOWLEDGE

Broad and integrative learning involves students across degree levels in the practices of core educational fields including the sciences, social sciences, humanities, and arts. By exploring a global array of topics, students are prepared for effective civic participation and given a broader context for their specialized knowledge.

DQP 3 - INTELLECTUAL SKILLS

Evidence-based reasoning skills are the tools by which students gain both the broad and specialized knowledge necessary to future success. Such skills include:

- analytic inquiry,
- use of information resources,
- engaging diverse perspectives,

- ethical reasoning,
- quantitative fluency, and
- communicative fluency.

These skills enable students to interact with ideas and arguments from multiple reference points.

DQP 4 - APPLIED AND COLLABORATIVE LEARNING

This area focuses on students' ability to utilize their knowledge and skills in both classroom and real-world environments. Key here is developing fluency and innovation through collaboration.

DQP 5 - CIVIC AND GLOBAL LEARNING

This learning area enhances students' integration of knowledge and skills by engaging them with the task of responsible citizenship. Students are challenged to engage contemporary issues, understand competing perspectives and arguments, and develop and defend a coherent position in the current conversation.
