

Deferred Payment Plan

Urshan College offers a Deferred Payment Plan that allows you to pay your balance due over the course of the semester. To participate there is an extra \$35 Deferred Payment fee for using the Deferred Payment Plan. If you pay in full before the first day of class, the Deferred Payment fee is not charged.

How It Works

- Urshan calculates your total balance due for a semester (tuition, fees, room & board).
- The student pays a minimum down payment of \$1,000 at the beginning of the semester. The student can pay more than the minimum of \$1,000, but the minimum must be paid. If the student is living in dormitory housing, a Dorm Maintenance Fee of \$150 must also be paid at the beginning of the school year. Total down payment equals \$1,150.
- After deducting the down payment amount from the balance due, the balance remaining is split into four equal payments.
- A credit or debit card is kept on file for automatic recurring payments for each month (no checking accounts).
- A late payment fee of \$25 is charged if the payment is not received on the due date.
- The semester's balance must be paid in full before beginning a new semester.
