

Organizational Leadership Program Director Position Job Posting

Post by: August 1, 2022

Urshan College is pleased to announce an opening for a full-time faculty member/program director in the Organizational Leadership program. The candidate should be qualified to teach undergraduate courses in leadership and/or management. The Bachelor of Arts in Organizational Leadership program at Urshan College helps fulfill the need of training leaders dedicated to positively impacting their organization, community, and world. The program commits to offering students courses and experiences that formally and informally educate, equip, and empower them as servant leaders to contribute to the success and development of their organization, church, and community. As an institution owned and operated by the United Pentecostal Church International, Urshan seeks candidates who are active ministers and/or members of the UPCI and have a strong commitment to Oneness Pentecostal doctrine and practice.

Essential Functions:

- Teach up to 24 units annually in leadership and/or management from the curriculum offerings for the Organizational Leadership major in the Urshan catalog.
- Advise and mentor students within the Organizational Leadership major, including the maintenance of regular on-campus office hours as prescribed by the Faculty Handbook.
- Serve as the Organizational Leadership Program Director and collaborate with the UC Academic Deans in the governance of the Organizational Leadership program.
- Be active in both the local community and the local church in ways that support their academic expertise and endeavors.

Minimum Qualifications:

- Accredited Master's degree in leadership or a closely-related field.
- Strong classroom presence evidenced by a passion to assist Organizational Leadership majors in their academic and personal development.
- A vibrant personal faith and a desire to inspire students to grow in their faith and in their understanding of personal calling.
- Clear potential for future scholarly work.

Additional Valuable Qualifications Include:

- Teaching experience in a university/college setting.
- A doctorate (completed or in-progress) in a leadership-related degree.

Salary:

Full-time position. Rank and salary are commensurate with education and experience, including benefits.
