

High School Dual Enrollment Program/Form

If you are a senior in high school and want the challenge of college-level academic studies, consider the dual enrollment program at Urshan College.

You may qualify for the dual enrollment program if you are a high school senior or if you will enter the senior level at the time of dual enrollment, have at least a 3.0 cumulative GPA, and a minimum ACT score of 21 or SAT score of 1050.

Inquire about the opportunities for pursuing challenging academic studies above and beyond the high school curriculum. Talk with your parents/guardians and your high school counselor to see if you can expand your educational background by taking college-level courses.

Note: Students participating in the dual enrollment program are not eligible for financial assistance; however, failure to successfully complete courses through the dual enrollment program may impact future financial aid eligibility.
