WELCOME FROM THE PRESIDENT AND EXECUTIVE VICE PRESIDENT

Welcome to Urshan University, where it is our mission to educate, equip, and empower you for life and servant-leadership in the church and the world! **For freshmen, this is the beginning of a new season in your life, and we are thrilled to be a part of it.** For those of you returning to Urshan, we look forward to your continued growth and positive example.

At Urshan, we are committed to fostering a Christ-centered and Spirit-filled community where you will have opportunities to grow spiritually and intellectually. UU is unique in that it: (1) is owned and operated by the United Pentecostal Church International, and (2) has expanded beyond the Bible University model to offer an Apostolic education that prepares students for both ministerial and professional vocations. As of 2020, it has also obtained regional accreditation with the Higher Learning Commission.

Your success as a student will be determined to a great extent by the choices you make in your academic pursuits as well as those beyond the classroom. The administration, faculty, staff, and your fellow student leaders are here to support you in your journey at Urshan. We encourage you to form lifelong friendships, stretch the boundaries of your creativity, desire more of God's Word, and strive to become the man or woman He has called you to be.

Sincerely in Christ,

Rev. Brent Coltharp, D.S.L.
President

Rev. Jennie Russell, M.A.
Executive Vice President

THE URSHAN STORY

Urshan University and Urshan Graduate School of Theology are named in honor of Andrew D. Urshan and Nathaniel A. Urshan, whose ministries represent a century of global Apostolic Pentecostal leadership. Andrew Urshan, an Assyrian immigrant from Persia to the United States, was the

prototypical Oneness pioneer. His hunger for God led him from mainline Protestantism through the Holiness Movement to Pentecostalism. He then carried the gospel across North America, brought the Pentecostal message to Russia, and pastored in New York City. In the mid-twentieth century, his son Nathaniel Urshan preached camp meetings across North America that were significant in the expansion of Oneness Pentecostalism. After pastoring one of the most influential churches in the movement, Nathaniel Urshan served as the general superintendent of the United Pentecostal Church International from 1978 to 2001.

In April 1998, Timothy Dugas, a pastor in suburban St. Louis, Missouri, initiated a committee to explore the formation of the first UPCI-owned seminary. From 1998 to 1999, various committees developed a proposal for the UPCI General Board. In 1999, the UPCI General Conference in Nashville, Tennessee, voted to establish Urshan Graduate School of Theology.

The UGST board of directors held its first meeting in St. Louis, Missouri, in January 2000, choosing Nathaniel A. Urshan as chancellor, Jesse F. Williams as board chair, and David K. Bernard as president. The board of directors and the president installed the founding faculty for the first semester in August 2001: Raymond L. Crownover, James A. Littles Jr., David S. Norris, and Gerald L. Truman. In 2010, UGST earned full accreditation with the Association of Theological Schools, a national accrediting commission for seminaries.

Under the ownership of the UPCI Missouri District, Gateway University of Evangelism began offering classes in 1968 in the St. Louis area. In 1971, the Bible University purchased a campus that had formerly been St. Stanislaus Seminary, the oldest University campus west of the Mississippi River. A portion of this campus was rented to UGST when it began operations in 2000.

In October 2011, the UGST board of directors and the UPCI General Board approved a plan for UGST to acquire Gateway University and use it to establish a new undergraduate Christian liberal arts University. Under this plan, the University would offer a variety of majors in addition to ministry and would seek regional accreditation. After months of collaboration between the boards, administration, faculty, and staff of both institutions, the transition from Gateway University to Urshan University was completed on July 1, 2012. In 2014, UU and UGST established Urshan Collegiate Support Organization and, through this corporation, officially acquired the Florissant campus in 2015.

In the fall of 2018, the Urshan Board voted Rev. Brent Coltharp, D.S.L. as Urshan System (UU and UGST) president and voted to acquire a 40+ acre campus property in Wentzville, Missouri. The Urshan System began the 2019-2020 academic year on the Wentzville campus.

In the summer of 2018, the Urshan System attained the status of Candidate for Accreditation with the Higher Learning Commission, a regional accrediting agency recognized by the U.S. Department of Education. After only two years in the four-year Candidacy period, Urshan filed for early initial accreditation. After a site visit on the Urshan campus in February 2020, meetings between Urshan and HLC administration, and a formal meeting of the HLC Board of Trustees, the Urshan System was granted early initial accreditation on June 25, 2020.

UNDERSTANDING THE URSHAN SYSTEM

VISION

THE VISION OF THE URSHAN SYSTEM

Aspiring to reach the world and equip the church by educating Apostolic servant leaders one student at a time.

MISSION

THE MISSION OF THE URSHAN SYSTEM

The mission of Urshan is to prepare Apostolic men and women through higher education for service in the church and to the world.

THE MISSION OF URSHAN UNIVERSITY

The mission of Urshan University is to educate, equip, and empower Apostolics for life and servant-leadership in the church and the world.

CORE VALUES

URSHAN UNIVERSITY CORE VALUES

Urshan University is United Pentecostal in teaching and practice, serving the global Apostolic community. As a University, we are committed to the following:

- *A Biblical Foundation*
UU academic programs work to cultivate a deep and enduring faith that affirms the practical teaching of Scripture as it is applied in daily life.
- *Academic Excellence*
Our curriculum seeks to integrate faith and learning in a scholarly environment that fosters critical and creative thinking, academic excellence, and professional competence.
- *Spirit-Filled Community*
UU aspires to be an interdependent community of students, faculty, and staff who honor and obey Jesus Christ by living Spirit-filled lives.
- *The Pursuit of Purpose*
The UU community encourages each individual to discover God's unique purpose and to develop personal potential as a celebration of that holy purpose.
- *Servant Leadership*
UU works to educate students to experience and engage the world in ways that empowers them as leaders to serve and transform their professions, churches, and communities.

STATEMENTS OF FAITH

The following statements provide a summary of biblical doctrine that is affirmed by the United Pentecostal Church International and the Urshan System:

- *About God*
There is one God, who has revealed Himself as our Father, in His Son Jesus Christ, and as the Holy Spirit. Jesus Christ is God manifested in flesh. He is both God and man. (See Deuteronomy 6:4; Ephesians 4:4-6; Colossians 2:9; I Timothy 3:16.)
- *About the Bible*
The Bible is the infallible Word of God and the authority for salvation and Christian living. (See II Timothy 3:15-17.)
- *About Sin and Salvation*
Everyone has sinned and needs salvation. Salvation comes by grace through faith based on the atoning sacrifice of Jesus Christ. (See Romans 3:23-25; 6:23; Ephesians 2:8-9.)
- *About the Gospel*
The saving gospel is the good news that Jesus died for our sins, was buried, and rose again. We obey the gospel (II Thessalonians 1:8; I Peter 4:17) by repentance (death to sin), water baptism in the name of Jesus Christ (burial), and receiving the gift of the Holy Spirit (resurrection). (See I Corinthians 15:1-4; Acts 2:4, 37-39; Romans 6:3-4.)
- *About Our Fundamental Doctrine*
The basic and fundamental doctrine of this University is the Bible standard of full salvation, which is repentance, baptism in water by immersion in the name of the Lord Jesus Christ for the remission of sins, and the baptism of the Holy Ghost with the initial sign of speaking with other tongues as the Spirit gives utterance.
- *About Christian Living*
As Christians, we are to love God and others. We should live a holy life inwardly and outwardly, and worship God joyfully. The supernatural gifts of the Spirit, including healing, are for the church today. (See Mark 12:28-31; II Corinthians 7:1; Hebrews 12:14; I Corinthians 12:8-10.)
- *About the Future*
Jesus Christ is coming again to catch away His church. In the end will be the final resurrection and the final judgment. The righteous will inherit eternal life, and the unrighteous eternal death. (See I Thessalonians 4:16-17; Revelation 20:11-15.)

HONOR CODE

The Urshan Honor Code is rooted in specific character values from Scripture and reflect the message of Micah 6:8, "He has shown you, O man, what is good; And what does the Lord require of you but to do justly, to love mercy, and to walk humbly with your God."

The Urshan Honor Code is the highest obligation of the entire Urshan Community. Every member of the Urshan Community is Honor Bound:

- *To do what is good:*
Promote and uphold the Christ-like values of honesty, honor, integrity, and love for others.
- *To do justly:*
Uphold academic integrity regarding cheating and plagiarism.

Embrace honesty and the pursuit of truth in communication.
Embrace sexual purity.

- *To love mercy:*
Model behavior that fosters a safe and peaceful environment.
Compassionately confront any person you believe to be in violation of the Honor Code.
Inform the appropriate community authority if unresolved (Matthew 18:15-20).
- *To walk humbly with your God:*
Display selfless service and Christ-like humility.

The priority deadlines for a completed application (received in the Urshan University office with the \$65 application fee) are May 1 for the Fall Semester or November 1 for the Spring Semester. To be considered for financial aid from Urshan University the application process must be completed by May 1 for the upcoming academic year. Financial aid from outside sources may have earlier deadlines. For more information on financial aid see the Financial Aid section of this catalog.

If the student is not a native English speaker, an official TOEFL score is required. If the student has any previous University experience, s/he must request official transcripts from all previous institutions be sent directly to Urshan University before the application is considered complete. If the student is transferring from another UPCI-endorsed Bible University, a letter of transfer and a Transfer Clearance Form are also required. If an incoming student is admitted before all finalized transcripts are available, they must be received by the end of the student's first semester, or the student's admission to the university may be rescinded.

Application for admission to Urshan University is not complete until the following items have been received (Refer to the appropriate student category in Table 2. Required Information/Data for Application Submission on the following page.)

Applications that are older than one calendar year are withdrawn and considered void. Should an individual with an application older than one year desire to reapply the application, including all necessary supplemental material, will need to be resubmitted.

CANCELLATION PERIOD

Students have a period of three days, exclusive of Saturdays, Sundays and holidays, from the first day of class during which they may cancel enrollment or admission agreements with refund of all monies paid.

NON-DISCRIMINATION STATEMENT

Urshan University does not discriminate based on race, gender, color, national or ethnic origin, age, disability, or military service in admission or in the administration of its education policies, programs,

and activities. Inquiries or complaints should be directed to the Executive Vice President. Urshan University complies with relevant provisions of Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973. PROVISIONAL ACCEPTANCE

Applicants not meeting the requirements for unconditional admission but showing other indications of ability to handle the academic rigors of Urshan University may be admitted provisionally at the discretion of the Admissions Committee. Such admission will place the applicant on provisional status for one semester. The terms of each student’s provisional acceptance will be detailed in an official provisional acceptance letter; for examples of some potential academic requirements and conditions, see the Satisfactory Academic Progress and Academic Probation policies. All requirements stipulated in the letter (including any deadlines) must be satisfied for a provisionally accepted student to receive full admission; failure to complete the requirements may result in a cancellation of admission.

APPEALING AN ADMISSIONS DECISION

An applicant who is admitted on a provisional status or denied admission to the University has the right to appeal the decision. The applicant must notify the Admissions Office of their intent to appeal the initial decision within 10 business days of the applicant being sent the decision via email. Applicants will notify the Admissions Office via email and identify the argument(s) on which the appeal is based. The Admissions Committee will meet following the priority application deadline to review those applications in the appeal process. The Committee will review all submitted material and the applicant’s argument(s), evaluate the initial decision, and render its findings to the Director of Admissions who will inform the applicant. The Admissions Committee’s decision is final.

LEAVE OF ABSENCE (AC.01.040)

Students who wish to withdraw from the current semester or who do not wish to attend a future semester may remain enrolled by obtaining an approved leave of absence. Students returning from an approved leave of absence while in good standing, and who do not have any other restrictions or

conditions of enrollment may enroll in the University for a subsequent semester with the privileges of a returning student. Students on an approved leave of absence retain their admitted student status; however, they are not registered and therefore do not have the rights and privileges of registered students. Students on leave may complete coursework for which an 'Incomplete' grade was reported in a prior term and are expected to comply with the maximum time limit for resolving incompletes. Dormitory housing is not available to students while on a leave of absence.

Leaves will not be granted for more than two consecutive semesters. Leaves may not exceed a cumulative total of two academic years. The deadline for obtaining a leave of absence corresponds to the course withdrawal deadline, which is the last day to withdraw from a course and receive a "W." The standard withdrawal and refund policies apply to students who withdraw with a leave of absence. Students are responsible for completing the Leave of Absence Request Form from their Populi homepage. A leave of absence submitted after that deadline is granted only for extraordinary health and emergency reasons or activation of active duty status.

Students who do not return to the University after a leave of absence has expired or do not apply for an additional Leave of Absence must reapply to the University. Students who have been unenrolled two consecutive semesters must reapply to the institution.

STUDENT'S RIGHT-TO-PRIVACY OF RECORDS

Urshan University complies with the Family Educational Rights and Privacy Act (FERPA). This act protects the right of privacy of students and affords students over 18 years of age certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the registrar a written request that identifies the record(s) they wish to inspect. The registrar will make arrangements for access and notify student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes is inaccurate or misleading. The student should write the registrar, clearly identifying the part of the record that the student wishes to change, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the student will be notified of the decision and advised of his/her right to a hearing regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when he/she is notified of the right to a hearing.
3. UU protects the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

- b. A school official has a legitimate Educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
 - c. Upon request, UU discloses education records without consent to officials of another institution in which a student seeks or intends to enroll.
4. UU also discloses directory information about the student. Directory information includes (but is not limited to) the following information: name, address, telephone number, e-mail, spouse's name, date and place of birth, denomination, home church, and dates of attendance, photo, degree program and concentration, enrollment type (full time, part time, less than half time), degrees and awards received with the date of graduation. Information published in the student directory may be released up through the publication of the next student directory the following fall, regardless of whether the student continues to be enrolled.
5. Items that can never be identified as directory information are a student's social security number or institutional number, race/ethnicity, citizenship, nationality, gender, financial aid, billing, grades, GPA, or class schedule.
6. Students may release their academic records to parents, a prospective employer, insurance companies, etc., by providing written consent. The notice of written consent must include the following information:
 - a. It must specify the records to be released (transcripts, etc.)
 - b. State the purpose of the disclosure
 - c. Identify the party or class of parties to whom disclosure may be made, and
 - d. Be signed and dated (within the last calendar year) by the student.
7. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

REFUND POLICY

REFUNDS OF TUITION

It is understood that any terms extended to any student are for convenience in paying the tuition and fees and are not in any way to be considered as payment(s) for periods of time. By accepting applications, the University has assumed the obligation of furnishing a complete program, instructors, equipment, classrooms, and other facilities necessary for teaching those programs at the stated offered tuition cost and with the understanding that refunds will be made per academic term only.

The account of students who drop classes or withdraw from the University will be credited according to Table 5. The Refund Scale on the following page.

Refunds are calculated based on the date the student officially withdraws from the University. No refunds shall be provided in case of an unauthorized withdrawal. Failure to file the signed withdrawal form with the Dean of Student Services within two weeks of the last attendance in an on-campus class constitutes an unauthorized withdrawal. For students in short-term courses, failure to file the signed withdrawal form with the director of distance learning within 48 hours of the last attendance in class constitutes an unauthorized withdrawal. Refunds will be made to the student within 30 days of official withdrawal. Refunds will not be paid to any person other than the student.

Students who drop short-term courses (e.g., online courses) will be credited according to Table 6. Course Withdrawal Credit Scale. Students may drop a course even if the course has not yet met.

Students receiving benefits administered by the Department of Veterans Affairs shall be entitled to a refund of 90% of the exact pro rata amount of tuition and fees. The exact pro-ration will be determined by dividing the number of class days remaining in the semester at the time of official withdrawal by the total number of class days in the semester. Where the amount of refund is less than that which would be applied under the standard refund policy, the standard policy shall apply. Refunds will be paid to the student within 40 days of official withdrawal. (38 CFR 21.4255)

Full Refund Petition

A student who experiences extreme hardship which causes the student to drop or withdraw from courses may petition for a full refund, outside the scope of the normal Tuition Refund Schedule. The student should provide a written petition along with acceptable documentation (such as a doctor’s note or other third-party verification) of the situation which caused the drop/withdrawal within two week of the date of the drop/withdrawal form submission. The written petition may be submitted via email or in hard copy to the Student Financial Accounts Officer for review. Petitions submitted more than two weeks past the student’s official drop/withdrawal date (from the drop/add form) and/or without acceptable documentation may not be considered. Additionally, petitions submitted after the last day to withdraw from a course with a “W” grade will not be considered. The University reserves its right to review and approve or deny these petitions. If a petition is denied, the normal Tuition Refund Schedule will be applied to the student’s account.

CANCELLATION OF ENROLLMENT AGREEMENT

The enrollment agreement may be canceled by the student with full refund of tuition, fees, and room and board within three business days of the first day of class with a full refund of all monies paid. The student must file an official withdrawal form (available from the dean of student services). After three days, any refunds are calculated based on the standard refund schedule.

CANCELED COURSES

The University may cancel any course because of insufficient enrollment or if the instructor becomes unexpectedly unavailable. Full refunds of applicable tuition and fees are granted when the University cancels a course.

COURSE FEES

Course fees are refunded only if the course is dropped by the third day of class or if the course is canceled by the University.

STUDENTS CALLED TO ACTIVE MILITARY DUTY

Full refunds are granted to reserve military students who must withdraw from University due to being called to active duty, provided those students qualify for and obtain an approved leave of absence from the University.

ROOM AND BOARD

Unused room and board payments will be refunded at the time of official withdrawal from the University with the following guidelines:

- 1.) A resident who withdraws or is suspended for academic reasons by the University at the end of a semester or term is entitled to a prorated refund of prepaid room and board.
- 2.) A resident who is suspended or expelled by the University or removed from a residence hall for reasons of improper conduct or violation of University policy or regulations is not entitled to any refund of deposit or room and board.
- 3.) The student's bill must be current. If tuition is owed, the University will not refund room and board.

Room and board refunds are calculated based on the last day of the week following the date the student officially withdraws from the University. No refunds shall be provided in case of an unauthorized withdrawal. Failure to file a signed Withdrawal Form with the dean of student services within two weeks of the last attendance in class constitutes an unauthorized withdrawal.

REPAYMENT OF FORFEITED SCHOLARSHIPS AND GRANTS

Students who receive a scholarship or grant from Urshan University but withdraw from the University before the end of the academic year for which the financial aid was applied, will have any tuition refund reduced by the applied amount of financial aid.

Students who add classes must pay any additional tuition charges and course fees incurred at the time they submit the Add/Drop Form.

INSTITUTIONAL FINANCIAL AID

FINANCIAL AID ADVISING

Each Urshan University student deserves the best financial aid advisement possible, and the UU Financial Aid office staff are committed to providing current and accurate advisement for a variety of potential student financial aid sources. Every student should contact the UU Financial Aid office for personal assistance and to answer any financial aid questions they may have.

Financial aid is defined as money provided to students and their families as either “gift aid” or “self-help” to assist in paying University costs. “Gift aid,” as the name implies, is free money such as scholarships and grants, which students do not have to repay. “Self-help” programs include loans and employment and are so named because students must repay loans and work for money awarded through employment programs. Awards to students consist of scholarships, grants, loans, and employment—singly or in combination (See UU Financial Aid Handbook).

FEDERAL FINANCIAL AID

The primary role of the Urshan Financial Aid Office is to reduce the financial barriers that limit access to a higher education at Urshan University. This is accomplished through the offering of financial aid packages to eligible students that consist of scholarships, grants, and loans. While students and parents are primarily responsible for funding an Urshan education, the Urshan Financial Aid Office makes every effort to provide assistance in the event that income from family, wages, savings, and other financial resources are insufficient to cover the cost of an Urshan education. Apply for Financial Aid Complete the Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov. Urshan's priority filing deadline is July 1 and Federal School Code is 042827. Students whose applications are received after the deadline may not be eligible for certain types of financial aid.

SUBMIT REQUIRED DOCUMENTATION

In the event that the U.S. Department of Education selects your FAFSA for verification, be prepared to submit documentation to the Urshan Financial Aid Office in order to substantiate the data reported on your FAFSA. You will be notified via your email account if additional documentation is required to continue processing your financial aid application.

ACCEPT YOUR AWARDS

Upon notification via your email account that your financial aid award is ready for review/action, you will receive a My Financial Aid Plan to accept/decline your financial aid award. Incoming and returning students begin receiving their award notifications in late July.

MAINTAIN SATISFACTORY ACADEMIC PROGRESS

Federal Regulations require the Urshan Financial Aid Office to review the academic progress of students who apply for and/or receive financial assistance. All aid applicants are required to maintain a designated grade point average (GPA) and satisfactorily complete a percentage of the number of credit hours attempted (see “Satisfactory Academic Progress,” p. 35). A complete text of these requirements is also available in the UU Financial Aid Handbook.

MILITARY AND VETERAN STUDENTS

Urshan University (UU) is happy to assist those who are present and past members of the United States military as well as the families of those who have served. UU accepts Veteran's Administration (VA) benefits as well as Tuition Assistance (TA) from the active-duty service member's branch.

- **Veteran’s Scholarship and Grant Resources** – In addition to VA benefits, you may also be eligible for grants and scholarships from a variety of veteran’s organizations. These resources are also available to those who are dependents of a service member but were unable or ineligible to receive VA educational benefits. Please visit the U.S. Veterans Magazine website where you will find an exhaustive list of scholarships and grants.

MILITARY TUITION ASSISTANCE (TA)

UU complies with the policies and procedures for the military Tuition Assistance program for eligible members of the U.S. Armed Services. Each service has its own criteria for eligibility. Prior to enrollment, prospective students are directed to speak with their Education Services Officer (ESO) or military counselor to determine which VA or Military benefit(s) they qualify for. **Register for classes only after approval from your ESO is obtained.**

RETURN OF MILITARY TUITION ASSISTANCE

In compliance with the Department of Defense policy, UU will return any unearned TA funds on a prorated basis through at least the 60% portion of the term for which the funds were provided. Please note: If you withdraw (officially or unofficially) from a course and did not complete at least 60% of the course, you may not be eligible for the total amount initially awarded through Tuition Assistance. In cases where some or all the Tuition Assistance must be returned to the military, you will be responsible for all balances on your student account.

RECRUITMENT OF MILITARY VETERANS

In accordance with the DOD Memorandum of Understanding, Urshan University (UU) bans inducements to any individual or entity (other than salaries paid to employees or fees paid to contractors in conformity with all applicable laws) for the purpose of securing enrollment of service members or obtaining access to tuition assistance funds as part of efforts to eliminate aggressive marketing aimed at service members.

UU does not participate in high-pressure recruitment tactics aimed at Service members. Service members will not receive three or more unsolicited contacts (by phone, email, or in-person), nor will they be engaged in same-day recruitment and registration for the purpose of securing Service member enrollments.

Additionally, UU will not provide any commission, bonus, or other incentive payment based directly or indirectly on securing enrollment of federal financial aid to any persons or entities engaged in any student recruiting, admission activities, or making decisions regarding the award of student financial assistance.

OTHER FINANCIAL AID SOURCES

Scholarship, grant and loan opportunities and eligibility requirements are listed under the Admissions tab on the University website, www.Urshan.edu. Any questions you may have about financial aid at Urshan University can be emailed to scholarships@urshan.edu. Additional financial aid may be available from numerous sources, including the student's home church or district, benevolent associations, and private and public charitable funds.

ACADEMIC POLICIES AND PROCEDURES

As expressed in its mission statement, Urshan University exists “to educate, equip, and empower Apostolics for life and servant leadership in the church and in the world.” The University believes its academic programs and practices contribute significantly to this holistic mission. Every member of the Urshan community is called to this collaborative effort. The board members, administration, faculty, staff, and students work together to achieve this “life and servant-leadership” curriculum. If there occurs any apparent discrepancy between academic policies or procedures as presented in this Academic Catalog and those listed in the Student Handbook, the Academic Catalog shall be authoritative.

UNIT OF CREDIT (AC.01.001)

One unit of credit is assigned for successfully completing the work represented by 50-minute of direct instruction with the professor and two hours out of class work for approximately fifteen weeks per semester. Courses offered in shorter academic terms provide the equivalent direct instruction and out of class work.

ADVISEMENT AND REGISTRATION

ACADEMIC ADVISEMENT (AC.01.002)

After admission to Urshan University, students are assigned to an academic advisor within their chosen major. The academic advisor plays a vital role in helping students choose majors and semester classes and developing long-range academic, career, and ministry plans. Advisement is a continuous process that begins with matriculation and continues throughout the student’s University career. However, it remains the responsibility of the student to know and fulfill the requirements necessary for obtaining a degree at Urshan University. Students should maintain their own records with copies of all official correspondence with the University. Students should check academic advice against the official policy of the University as it is found in published documents.

ACADEMIC LOAD (AC.01.003)

Students are expected to give first priority to the preparation of assignments, to class attendance, and to class participation. Outside study time will vary with each class. Generally, two hours of outside study time are required for each hour of in-class time. For the University experience to be fulfilling, students must strive to grow through the knowledge offered in class and outside study.

All students should adjust their semester course load according to their academic ability, extent of extracurricular activity, and the amount of outside employment to maintain a high academic standard. The academic load of any student is subject to reduction or limitation by the administration for low scholarship, excessive outside employment, and other influences that may adversely affect a student’s academic progress in University.

A student carrying a minimum of 12 hours will be considered full-time. A student carrying more than 18 hours may do so only by permission of the program director. MUSC 111 Choir, MUSC 112 Chamber Choir, and MUSC 113 Chorale are exempted from this rule.

DUAL ENROLLMENT (AC.01.004)

University

A student who is dual enrolled at another University must carry a total academic load of at least 12 credit hours to live on campus unless given special permission by the Dean of Student Services. At least 6 of those hours must be taken at Urshan University. Students will be charged all applicable tuition and fees.

Students desiring to transfer credits earned at another institution while enrolled at Urshan are encouraged to obtain approval through the Office of the Registrar before enrolling in the course.

High School

High school seniors, who meet the requirements, may be eligible for dual enrollment at the University for the intent of earning University credit. Considerations such as University readiness and current/potential course loads may be taken into account to determine if admission acceptance is appropriate. An appropriate University course load will be determined through the advisement process, based on student needs and course availability. Standard tuition rates and applicable fees apply. Successful completion of the courses will be noted on the University transcript.

In addition to the University's application requirements, the student must meet all of the following requirements:

- Be classified as a high school senior (12th grade) or will be so classified at the time of enrollment
- Have a minimum cumulative high school GPA of 3.0 on a 4.0 scale
- Have a minimum ACT score of 21 or SAT score of 1050 (mandatory)
- Complete an Urshan University Dual Enrollment Form with appropriate signatures from high school officials (if home schooled, parent/guardian may sign verifying GPA)

Important Financial Aid Information: Title IV requires a high school diploma/GED to be eligible for financial aid. Therefore, high school students who are dual enrolled will be responsible for all tuition and fees associated with their enrollment at the University. In addition, failure to maintain standard academic progress could jeopardize future financial aid availability.

REGISTRATION

When applicants have been admitted to the University, they are eligible to register for courses. The specific time for registration each semester is given on the University calendar. A late registration fee is imposed upon those students who do not register during these periods. Music majors must audition and take entrance exams as part of their initial registration process.

ADDING OR WITHDRAWING FROM COURSES

Students' choices of classes, once made and filed, are expected to be in effect for the semester. If course changes are necessary, students must request the change on the proper form. The University calendar lists the deadlines related to adding, dropping, or withdrawing courses:

- Courses that are dropped within the initial add/drop period will not appear on the student transcript.
- Courses that are withdrawn before the end of the "W" period will appear on the transcript, marked as a "W."

- Courses that are withdrawn before the end of the “WP/WF” period will appear on the transcript. While a “WP” does not impact student CGPA, a “WF” will be treated as the equivalent of an “F” and will lower the CGPA.
- Courses that are withdrawn after the end of the “WP/WF” period will automatically become an “F” on the transcript.

No exceptions will be made to these deadlines. Students will continue to accrue absences until all fees are paid and the appropriate paperwork has been processed. Students who stop attending a course without officially withdrawing are automatically given a failing grade for that course.

CHANGE IN TUITION RESULTING FROM ADDING OR DROPPING A COURSE

Students who add classes must pay any additional tuition charges and course fees incurred at the time they submit the Add/Drop Form. See Refund Policy in the Finance section.

WITHDRAWAL FROM UNIVERSITY

Withdrawal during the semester is inadvisable; however, when unavoidable circumstances make it necessary the matter should be discussed with the dean of student services who will initiate, if necessary, a withdrawal process.

Failure to complete the withdrawal process within two weeks of the last class attendance constitutes an unauthorized withdrawal. No refunds shall be provided in case of an unauthorized withdrawal. In addition, unauthorized withdrawal will result in a failing grade being entered for all courses in which the student is registered. Students are considered enrolled until they complete all withdrawal procedures.

Students who withdraw from the University have 48 hours to vacate the premises. All student conduct regulations remain binding until withdrawing students have left the campus.

CHANGE OF MAJOR

A change of major request form is available from the Populi home page. It is understood that a change of major may extend the student’s time at Urshan University.

COURSE CANCELLATION (AC.01.010)

The University may cancel any course because of insufficient enrollment or if the instructor unexpectedly becomes unavailable. Full refunds of applicable tuition are granted when the University cancels a course.

CLASSROOM POLICIES

ATTENDANCE POLICY (AC.01.011)

Urshan University exists to train Apostolic servant leaders. It is our conviction that faithfulness and good stewardship of time are crucial qualities of an Apostolic leader (1 Cor. 4:2). One key way that a student can manifest and develop these characteristics is through faithful class attendance. Therefore, Urshan University has established a campus-wide attendance policy for all courses.

On-Campus Courses

All students at Urshan University are expected to attend all classes and all class activities for which they have enrolled. However, the University recognizes that absence from class is sometimes unavoidable; therefore, students are allowed the following number of absences each semester

(based on the number of weekly course sessions):

- Course with 15 class sessions: minimum attendance is 13 class sessions (2 absences)
- Course with 30 class sessions: minimum attendance is 26 class sessions (4 absences)
- Course with 45 class sessions: minimum attendance is 39 class sessions (6 absences)

Participation in an institution-authorized activity or promotional event as an official representative of the University (e.g., chorale outings, outreaches, conferences/conventions, field trips) will be considered an excused absence and is exempt from the above limitations. These absences must be requested by UU faculty or administration and are authorized by the Academic Dean.

If students have utilized all available absences, a limited number of additional excused absences may be granted in the following extenuating circumstances:

- Serious illness or hospitalization (official doctor or hospital documentation is required); non-acute medical service appointments (regular check-up, dental cleaning, etc) are not included
- Death or major illness of a family member or other family emergency as deemed appropriate by the Academic Dean
- Participation in legal proceedings (official summons documentation is required)
- Required military duty (official deployment documentation is required)

Students are required to present an official appeal to the Academic Dean's Office to receive an excused absence. Appeals for excused absences will not be considered until the student has utilized all available absences. The appeal must include any required documentation (see above) and should be submitted, whenever possible, at least one week prior unless the nature of the absence/s (e.g., emergency hospitalization) precludes such notification; in such cases, the appeal must be presented within 2 weeks of the accrued absence/s. Appeals submitted after that deadline may not be excused.

Students who miss class for any reason are expected to inform the professor and to complete any missed work and/or required make-up work (per the course syllabus).

In any given semester, absences beyond the number allowed in this policy not authorized as excused absences by the Academic Dean's office will be considered unauthorized absences and result in the following penalties:

- The first unauthorized absence will result in a full letter-grade reduction of the student's final grade for the course
- The second will result in the student's automatic failure of and dismissal from the course.

Distance-Learning Courses

8-Week (Short-Term)

Students enrolled in 8-week online courses are required to actively participate each week. The minimum requirement for active participation is 1 on-time assignment submission for each week the course is in session. Late assignment submissions do not count as makeup for missed weekly activity. Students who do not actively participate during the first week of a course will be dropped. Following the first week of class, students not actively participating in any 2 weeks of the term will fail the course.

16-Week (Full-Term)

Students enrolled in 16-week online courses are required to actively participate each week. The minimum requirement for active participation is 1 on-time assignment submission for each week the course is in session. Late assignment submissions do not count as makeup for missed weekly activity. Students who do not actively participate during the first week of a course will be dropped. Following the first week of class, students not actively participating in any 4 weeks of the term will fail the course.

Students enrolled in Capstone, Internship, and Field Experience are required to actively participate in the first week of the course as outlined above. However, due to the unique nature of these courses, active participation for the remainder of the semester is fulfilled by completing all course requirements outlined in the syllabus.

CLASS VISITORS (AC.01.012)

Students who wish to bring visitors to class must obtain permission from their individual instructor before the class session.

COURSE AUDIT POLICY (AC.01.013)

Urshan University allows students to audit select courses without receiving a grade or credit. Taking a course as an audit means the student will be expected to regularly attend classes and, at the discretion of the course professor, do some of the assigned work (e.g., course readings, post on discussion boards). It is understood that a student chooses to audit a course to self-enrichment and academic exploration.

Audits are only offered on a space-available basis with approvals of both the course instructor and the Academic Dean.

The following guidelines apply to audited courses:

- A change from an audit to a credit basis must be made by the same deadline as adding/dropping a course (by the end of the second week of classes); students will be responsible for all additional, adjusted tuition charges. Students may not register for an audit after the second week of classes.
- A change from a credit to an audit must be made by the end of the fourth week of classes; students will only be eligible for the tuition refund as provided for in the standard tuition refund schedule.
- A student who elects to audit a course will have the letters "AU" entered on the transcript under credits; an audited course does not earn University credit or impact the student's GPA; and
- Students who audit a course are required to pay the same fees as students taking the course for credit. Audits may affect a student's eligibility for financial aid (including Social Security and Veterans' benefits). Students should contact the Business Office for more detailed information.

COURSE CONTENT (AC.01.014)

All course content (video lectures, readings, PowerPoints, discussion posts, etc.) is provided for the access of the enrolled student. Enrolled students are not to download, copy, or otherwise share this information with any person not enrolled in the course without prior permission of the course professor. Violations of this policy will be considered an act of plagiarism and will be subject to disciplinary action according to the Academic Due Process policy.

EXAMINATIONS (AC.01.015)

Examinations, tests, and quizzes are to be taken on the dates scheduled unless prior arrangements have been made with the course instructor. Make-up exams are only allowed at the discretion of the individual instructor. Final exams are to be taken at their scheduled time only unless special permission is granted in advance and in writing by the academic dean.

FACULTY RIGHT TO ESTABLISH ADDITIONAL CLASSROOM POLICIES (AC.01.016)

Faculty members, at their discretion, may establish additional policies in the course syllabi related to classroom decorum, the use of electronic devices in class, and other rules designed to maintain a classroom environment that is conducive to learning and the respect of others. These rules and policies may include reasonable penalties for violation.

INCLEMENT WEATHER

As a residential University Urshan University will usually remain open even during periods of inclement weather. In the case of inclement weather that poses a significant safety risk, the administration will make decisions concerning the closing of the University. The decision will be made by 7:00 a.m. for any given day so that arrangements can be made for early classes. News about closures will be available through the University's website and learning management system so that all students and employees can receive the latest information from one central outlet. Any individual class cancellations will be communicated to students by the course instructor or the Academic Dean.

INDEPENDENT STUDY (AC.01.017)

Independent study is designed as an educational enrichment for students who direct their own learning. The subjects covered in the independent studies must be specialized areas of study not reflected in offered courses. The total credit hours of Independent Study may not exceed one-fourth of all elective credits earned by the student. However, at the discretion of the Academic Dean, exceptions may be made in the case of scheduling conflicts caused by the University where the graduation in the planned major is in jeopardy. To be eligible for Independent Study, the student must be either a junior or senior with at least a 3.25 CGPA. A supervising faculty member will provide guidance in all phases of the process: development of objectives, design of learning experiences, and evaluation of learning outcomes.

RECOMMENDED WORKLOAD

Required reading - 500 pages of reading or equivalent per credit

Required writing - 5 pages of reflection and 5 pages of research (not book reports) or equivalent per credit

PROCEDURE

The student will consult with the professor who has agreed to supervise the independent study to create an independent study proposal/syllabus, which must include a course description, course outcomes, a reading schedule, and all assignments (with full descriptions).

Once the student and professor have created the proposal, the student will submit a signed copy of the proposal to the Program Director and Academic Dean for review. The Program Director and Academic Dean can approve, approve with recommended changes, or reject the proposal.

Independent study proposals are due by the end of the pre-registration period, though this deadline may be extended due to extenuating circumstances with the consent of the Program Director and Academic Dean. Approval of the finalized proposal is needed by the first class day of the semester; copies of the approved proposal (signed by the student, professor, program director, and academic dean) will be given to all parties and to the registrar (for the student's permanent file). If a student does not have a completed proposal on file with the registrar by the end of the semester drop/add period, registration will be cancelled by the registrar.

Work must be completed prior to the last day of final exams if taken during the semester. Independent studies attempted during the summer term must be completed by September 15.

Tuition for independent study credits is the same as classroom credits. See the tuition schedule in this Academic Catalog.

DIRECTED STUDY (AC.01.017)

Directed study is designed to be a substitute for a traditional course that is not offered or under enrolled in the semester for which the student wishes to enroll. The material covered in such courses is essentially the same as that covered in the traditional course. A directed study may include up to 3 students. To be eligible for a directed study, the student/s must be a junior or senior.

RECOMMENDED WORKLOAD

The proposed directed study must be equal in quality and rigor to a similar in-person course. Unlike independent studies, directed studies are expected to require seat-time (e.g., regular class meetings); however, in-class seat time for a directed study may be modified if additional outside work (e.g., research projects, additional readings, field trips) is included in the course syllabus that is demonstrably sufficient to equal the equivalent workload of an in-person course. Given its nature and inherent flexibility, it is expected that the student workload in a directed study will exceed the student workload (e.g., additional readings and assignments) in a similar in-person course.

Work must be completed prior to the last day of final exams or sub-term.

PROCEDURE

Directed study requests are submitted by the academic advisor and the Program Director to the Academic Dean on behalf of the student/s for approval and addition to the semester course assignments. These requests are due by the end of the pre-registration period, though this deadline may be extended due to extenuating circumstances with the consent of the Academic Dean. Directed-study course syllabi must be submitted by the course syllabi due date listed on the Academic Calendar. If a syllabi is not submitted by that date, the Academic Dean may postpone or cancel the directed study.

A student who fails a directed study course may not be allowed to retake the course at the University in directed study format.

Tuition for directed study credits is the same as classroom credits. See the tuition schedule in this Academic Catalog.

INTERNSHIP POLICY (AC.01.018)

Students may complete three credits of internship to fulfill elective or program requirements (see degree program requirements); each 50 hours of service within an approved internship will count as 1 credit hour of internship. Internship credits will be evaluated on a pass/fail basis. Internship placement must be in a position that is applicable to their degree major and/or concentration. A student may complete an internship for credit at Urshan University if they meet the following requirements: completed 60 hours of total University credit, either at UU or another school, maintaining a 2.0 or higher cumulative GPA, and are in good standing according to the Dean of Student Services (See UU Internship Handbook.).

ACADEMIC HONESTY (AC.01.019)

Plagiarism, cheating, and dishonesty are in direct opposition to a Christian life and the goals of Urshan University. It is assumed that all students enrolled at Urshan University have done so for the primary purpose of learning. Students are expected to refrain from those actions that contradict this purpose, and which would jeopardize their Christian character and testimony.

Cheating is considered a serious offense against a student's Christian character and testimony. Cheating includes copying from another person's test paper, using concealed information during examinations, falsifying reports, giving reports and papers to other students, giving information to another person during examinations, obtaining information from a student who has already taken the examination, using another student's work, paying another person to complete an assignment and/or impersonate you in any course, falsifying attendance records, and submitting the same assignment in more than one course (without permission of the instructor).

Plagiarism is defined as copying, paraphrasing, file-sharing or closely imitating any part of a published or unpublished book, paper, or Web-based source without properly identifying the author or originator. This also includes the use of the language and thoughts of another person while representing them as one's own; and the use of any AI language processing/paraphrasing tool to create coursework. Students are urged to take advantage of online plagiarism checkers to help avoid unintentional plagiarism. Plagiarism is a violation of the intellectual property rights of another person and a failure to give honor to whom honor is due.

Students who believe another student is cheating or plagiarizing should handle the situation according to the Peer Accountability policy. Concealing dishonorable practices is detrimental to the spiritual and academic atmosphere of the Urshan community.

Faculty members shall exercise proper diligence to prevent academic dishonesty. Any faculty member who has assembled evidence of plagiarism will first offer the student a chance to provide an alternate explanation of the evidence or to admit fault. If the faculty member concludes there has been an incident of plagiarism (as defined above), and it is a first-time offense, the faculty member may determine an appropriate punishment in consultation with the Academic Dean. All subsequent incidents of plagiarism will be reported to the Academic Affairs Committee (AAC), who will conduct a full investigation. A letter of action from the AAC will be given to the student, and copies of the letter and pertinent documentation will be placed in the student's file. The disciplinary actions of the AAC may include:

- Failing the assignment
- Failing the course
- Academic suspension for 1 semester

- Expulsion from the University

A record of past plagiarisms may affect the action of the Academic Affairs and the Scholarship Committees.

LEARNING RESOURCES

LIBRARY

The Urshan Library is a member of the Missouri Resource and Education Network (MOREnet) and the St. Louis Regional Library Network (SLRLN), which offers faculty and students access to over ninety academic and research libraries in the St. Louis area.

Databases may be used both in the library and online. Access to the library materials is open to students, staff, faculty, alumni, friends of the library, and members of SLRLN during regular library operating hours.

Library hours are posted on the website (<http://www.urshanUniversity.org/library>).

The library space provides reading rooms, conference rooms that may be reserved for group study, and individual study rooms. There is a printer/copier available for students and guests to use for a per-copy fee.

The Urshan Library Handbook is provided to each student upon enrollment, and contains information regarding catalog and database usage, reserve materials, general library policies, student services available within the library, and library staff. Additionally, three tutorial videos can be found on the library webpage. These tutorials provide a tour of the library as well as catalog and database search procedures (See UU Library Handbook.).

URSHAN STUDENT SUCCESS CENTER

The Urshan Student Success Center serves as a compass to help all students within the Urshan system navigate their academic careers. The USSC will support your students at any level and ability in their course work, personal development, and career planning. Student academic success and on-time graduation will be facilitated by a collection of services that are easily accessible, fully functioning, and held to accountability standards set by the administration and implemented by the student success center director and staff.

All UU and UGST students may take advantage of the services offered by the Urshan Student Success Center. These services include:

- Academic Coaching: face-to-face advising as well as access to electronic course modules that students can take to improve study skills, note taking, time management, etc.
- Writing Center: tutoring to sharpen skills in research, writing, and reasoning skills. Services are available to all students regardless of classification or degree program. Students on academic probation or with known deficiencies in writing may be required to seek help from the Writing Center.
- Peer2Peer Tutoring: students who wish to support their peers academically volunteer time in the USSC.

- Academic Mentoring: incoming students who are admitted on provisional status as well as students who have not maintained satisfactory academic progress, will have regularly scheduled meetings with the Student Academic Support Officer(s). These mentoring meetings are designed to help students achieve their personal GPA goals as well as continued academic success.
- Counseling referrals: students may receive referrals for access to professional counseling services for their mental and emotional health

The Urshan Library has partnered with the United Pentecostal Church International to provide the Center for the Study of Oneness Pentecostalism (CSOP). Located on the Urshan Library ground level, CSOP is the world's largest collection of Oneness Apostolic source materials and includes a museum, historical archives, and reading rooms.

TECHNOLOGY RESOURCES

The entire Urshan campus is Wi-Fi accessible to students, employees, and guests. The Urshan System makes extensive use of cloud applications such as Instructure's Canvas learning management system, and Google Apps for Education (including Gmail, Calendar, Drive, Docs, and Hangouts).

Urshan provides a computer lab with five personal computers, which provide access to online research, the library catalog, and the Microsoft Office software suite. Any specialized software that is requested by the faculty for the students' successful completion of courses is procured and installed as needed.

TECHNOLOGY RECOMMENDATIONS

The University-wide learning management system is Canvas by Instructure, the only learning management software native to the cloud. Access to course materials is achieved using your own web browser. We recommend a fast computer running Windows 7 or higher or Mac OS X 10.5 or higher, a broadband internet connection, the latest edition of Mozilla Firefox, Google Chrome, or Microsoft Internet Explorer (preferably two different browsers), Adobe Acrobat Reader, and word processing software (MS Office Word, strongly preferred). Advances in technology may necessitate changes in these requirements.

ACADEMIC EVALUATION

To record the level of student achievement and to stimulate quality work, the University's system of evaluating work performed is expressed in terms of letter grades with plus and minus and numerical grade points. See Table 7. Urshan University Grading System.

INCOMPLETE GRADE (AC.01.020)

An incomplete is allowed only upon approval of the academic dean for work that is incomplete at the end of the semester due to factors beyond a student's control. Students may obtain the Incomplete Grade Request Form from their Populi home page. The form must be completed before the class's final exam begins. This mark is temporary and may be changed to any other mark upon completion of the course requirements. This mark automatically becomes an "F" if it has not been cleared within 3 weeks after the end of the course for which it has been given. Students requesting an incomplete for a short-term course are allowed only one additional week to complete the missing assignments.

GRADE POINT AVERAGE (AC.01.021)

The student grade point average (GPA) is a measure of academic achievement. The grade point average is computed by taking the sum of credits for each course multiplied by the grade point equivalent of the grade for the course and dividing by the total credits attempted. Courses that earn a "P," "WP," or "W" are excluded from the calculation. The cumulative grade point average (CGPA) is calculated in the same manner, but for all courses attempted while a student at Urshan University. Transfer credits and dual enrollment credits earned at other institutions are not considered when computing the GPA or CGPA.

SATISFACTORY ACADEMIC PROGRESS (AC.01.022)

A minimum cumulative grade point average (CGPA) on a graduated scale and class attendance within the required range is considered satisfactory academic progress. Students are placed on academic probation when their CGPA drops below the required minimum and/or their class attendance falls below the required range. The CGPA and attendance must meet the minimum required level for probationary status to be removed. If a student fails to achieve the minimum CGPA for two consecutive semesters, the student will enter academic suspension.

Pace of Completion

All bachelor's degrees of 123 credits have a seven-and-a-half year limit. All associate degrees of 64 credits have a four-year limit. If additional time is needed to complete a degree, the student must submit a written rationale for the request and a proposal for the completion of the degree. The appropriate faculty committee reviews the request and makes a recommendation to the full faculty for action. Federal Student Aid is not available to students who take longer than the time limit to complete a degree.

Minimum CGPA Requirements (AC.01.023)

Students in a bachelor's degree program will be placed on academic probation when their CGPA falls below the following graded scale:

After one semester: 1.75 CGPA or below
After two semesters: 1.85 CGPA or below
After three semesters: 1.95 CGPA or below
After four semesters: below 2.0 CGPA

Students in an Associate Degree program will be placed on academic probation when their CGPA falls below the following graded scale:

After one semester: 1.85 CGPA or below
After two semesters: below 2.0 CGPA

ACADEMIC PROBATION (AC.01.024)

If a student is placed on academic probation or admitted provisionally, the following restrictions shall apply until the CGPA has met the required level for the status to be removed:

The student must resign from any office he/she may hold with the University.

The student can enroll in no more than 13 credits per semester.

The student will be required to meet weekly with a student academic support officer to monitor assignment completion, grades, and overall academic progress.

Students who are on academic probation may also be required to attend regular Writing Center appointments and/or engage the services of a peer tutor.

ACADEMIC SUSPENSION (AC.01.025)

If a student fails to achieve the target CGPA after two consecutive semesters on academic probation, the student will enter academic suspension and will not be allowed to enroll in any Urshan University courses for the following semester. After submitting an acceptable academic development plan to the Academic Affairs Committee, the student may return to the University on academic probation and enroll in courses. If, by the end of two additional semesters, the student has failed to achieve the target CGPA, he or she will be returned to suspension status. To return, students must present compelling evidence in writing to the Academic Affairs Committee that their chances of academic success have dramatically improved.

After a student has been on suspension for four total semesters the student will be dismissed from the University. Students seeking to return after dismissal for academic suspension will need to complete the entire admissions process again.

SCHOLASTIC HONORS (AC.01.027)

Urshan University strives to create an atmosphere conducive to scholarship and to provide incentive for academic growth. Maximum achievement is encouraged by giving recognition to those who excel. Students of Urshan University are eligible to receive honors as outlined below:

THE DEAN'S LIST

The Dean's List is published at the end of each semester. To qualify, students must be enrolled in a degree program and must have taken 12 credits or more from Urshan University during the semester. The Dean's List consists of students earning a grade point average of 3.5-3.99.

Dual enrollment students with full-time status may qualify for the above awards by requesting that the other institution send an official grade report (not a transcript) to the Office of the Registrar. The two sets of grades will be combined and calculated to determine the GPA. If the GPA is sufficient, students will be placed on the Dean's List or Presidential Scholar Award. An asterisk will indicate inclusion by this calculation. Requesting grades from other institutions is the responsibility of the student. If the other institution fails to respond to the request in sufficient time, students will not be considered for these academic awards.

THE PRESIDENT'S SCHOLAR AWARD

The President's Scholar Award list is published at the end of each semester. To qualify, students must be enrolled in a degree program and must have taken 12 credits or more from Urshan University during the semester. The President's Scholar award will be given to all students earning a 4.00 grade point average for the semester.

Students who have approved dual-enrollment, full-time status may qualify for the President's Scholar award. Students must be enrolled in at least 6 credits at Urshan University (see "Dual Enrollment" policy above). Dual enrollment students may have their name added by requesting that the other institution send a grade report (not a transcript) to the Office of the Registrar within 2 weeks of the end of the semester. The two sets of grades will be combined and calculated to determine the GPA. If the GPA is sufficient, students will be placed on the President's Scholar award list. Requesting grades from other institutions is the responsibility of the student. If the other institution fails to

respond to the request in sufficient time, students will not be considered for the Urshan University President's Scholar award.

ACADEMIC GRADUATE HONORS

To qualify for academic honors, students must have a minimum 3.5 cumulative grade point average (CGPA) and have completed all academic requirements for a bachelor's degree. Students who are participating in commencement exercises but have outstanding academic requirements are not eligible for graduate honors. The academic honors include:

Cum Laude ("with honor")	3.5-3.59 CGPA
Magna Cum Laude ("with great honor")	3.6-3.79 CGPA
Summa Cum Laude ("with highest honor")	3.8-4.00 CGPA

STUDENT CLASSIFICATION (AC.01.030)

To determine student classification, the following categories are used:

Freshman	Satisfaction of entrance requirements; fewer than 30 credits earned
Sophomore	30-59 earned credits
Junior	60-89 earned credits
Senior	90 earned credits or more

ACADEMIC DUE PROCESS (AC.01.031)

Students dissatisfied with classroom or academic procedures, or decisions should use the following procedure:

Students will attempt to settle differences with an instructor within two weeks of the disputed issue, or in the case of a disputed course grade, within six weeks after the end of the semester.

Students who are dissatisfied with the outcome of the instructor conference may file a written complaint with the academic dean within one week after the conference. The written document should fully describe the issue in dispute and steps taken to resolve the conflict. The Academic Dean will consult with the instructor before any decision is made. The Academic Dean will decide within two weeks.

Students who are dissatisfied with the Academic Dean's decision may file a written complaint with the Academic Affairs Committee via the academic dean within one week of the academic dean's decision. The Academic Affairs Committee will review the steps taken by the student, instructor, and academic dean prior to deciding. The Academic Affairs Committee will make its decision within two weeks. The decision of the Academic Affairs Committee is final.

Grievances with faculty members not directly related to classroom policies and/or assignment grades should be handled according to the Student Grievance Policy (Urshan University Student Handbook, pp. 19-20).

GRADUATION REQUIREMENTS (AC.01.032)

APPLICATION FOR DEGREE

For a student to qualify to graduate and participate in the spring commencement exercises, an Application for Degree form must be filed with the Office of the Registrar no later than the previous October 30. This form may be found on the Populi home page.

CATALOG REQUIREMENT

Students are to meet graduation requirements from the catalog that is in effect at the time of their initial enrollment at Urshan. Students wishing to change to a more recent catalog may do so, provided they are enrolled when the catalog is in effect, and they submit a written request to do so to the registrar. Students who have not maintained continuous enrollment must meet the graduation requirements from the catalog in effect at the time they re-enroll.

DEGREE CONCENTRATIONS

A degree concentration is only awarded in relation to a major. See the degree programs for concentration options and requirements.

- receive a recommendation from the faculty for graduation.

Students may participate in the commencement ceremony if they are missing no more than six hours of required courses for the bachelor's degree, not including any degree-required capstone, internship, field experience, or recital. A Degree Completion Plan must be completed and approved by the end of the semester prior to the semester of graduation.

RELEASE OF STUDENT TRANSCRIPT AND DIPLOMA

Students requesting copies of academic transcripts, either for personal use or to be sent to another institution, must fill out the Transcript Release Form found on the website or the Populi home page. There is a charge of \$5.00 for each transcript requested (unofficial or official). Transcripts will not be released if the student has any past-due financial obligations to Urshan University or to the library.

CREDIT TRANSFERS FROM OTHER INSTITUTIONS (AC.01.038)

GENERAL CREDIT TRANSFERS

Students may earn credit transfers for an equivalent course(s) previously taken at another institution. Because of wide variations in educational systems, quality, appropriateness and applicability, all potential course transfers will be evaluated by the Registrar before such transfers are granted. The Academic Dean and other qualified faculty may be consulted on an as-needed basis. This process will ensure these credit transfers are Urshan-equivalent courses based on similar content, level and student outcomes. The Registrar may also consider credit transfers for general elective courses for which there is not an Urshan equivalent course. However, a final course grade of "C" or above from an accredited institution is required to be eligible for credit transfer. Courses graded as "Pass" or "Satisfactory" will be eligible for credit transfer only if the transcript identifies the "Pass/Satisfactory" grade as equivalent to a "C" or higher grade. Official transcripts must be sent directly to Urshan University for evaluation. Credit transfers earned from unaccredited and international colleges will be evaluated on a case-by-case basis. Students may appeal credit transfer decisions to the Academic Affairs Committee if they feel their request was denied unfairly. The decision of the Academic Affairs Committee is final. Requests for credit transfers based on military service will be evaluated using the guidelines provided by the American Council on Education.

Urshan University requires that 15 credits of the last 30 credits earned for an associate degree and 30 credits of the last 60 upper-level credits earned for a bachelor's degree must be earned at Urshan. Additionally, the maximum allowable credit transfers (the sum of all general and military credit transfers, CLEP/AP credits, GATS/PI credits, and Work Training and Life Experience credits) for any student shall not exceed 90 credit hours.

UNIVERSITY-LEVEL EDUCATION PROGRAM/ADVANCED PLACEMENT (CLEP/AP) CREDITS

Urshan University accepts up to 30 credits from successfully completed CLEP/AP examinations. The minimum acceptable CLEP and AP examination scores for examinations meeting UU program requirements are 50 and 3 respectively.

GLOBAL ASSOCIATION FOR THEOLOGICAL STUDIES (GATS)

Urshan University accepts the completed GATS Certificate program as the equivalent of the Urshan Apostolic Identity core courses (17 credit hours). GATS Certificate recipients will be required to complete an additional 106 credit hours to meet the minimum credit hour Bachelor degree requirement (123 hours). Additional credit transfers may be granted on a case-by-case basis.

PURPOSE INSTITUTE

Urshan University accepts the completed PI diploma as the rough equivalent of 2 Urshan University semesters, depending upon the chosen major at Urshan. PI diploma recipients will be required to complete an additional 96-98 credit hours to meet the minimum credit hour Bachelor degree requirement (123 hours). Additional credit transfers may be granted on a case-by-case basis.

WORK TRAINING AND LIFE EXPERIENCE CREDIT PROGRAM

Urshan University acknowledges the significant prior accomplishments of highly experienced and qualified students through its Work Training and Life Experience Credit Program. Such students have previously demonstrated verifiable knowledge, skills, and abilities through corporate training programs and certificate and licensing qualifications. Students may request approval for Work Training and Life Experience credits from the Registrar and Academic Dean. Students may receive a maximum of 24 hours of credit in this manner.

PRIOR LEARNING ASSESSMENT

The evaluation of prior learning is conducted by the Registrar and Academic Dean through the guidelines set up by the ACE (American Council of Education). The [National Guide to University Credit for Workforce Training](#) is used to determine which workplace trainings have been evaluated for credit by ACE as valid credit for Workforce training. UU also recognizes national certifications that have been developed to meet industry/professional standards and awards University credit for students holding these certifications. The [ACE Credit Guide](#) is used to determine if submitted certifications have ACE credit recommendations. Finally, students can submit a Portfolio as documentation of any University-level learning gained through work and other experiences. Faculty experts evaluate the portfolio and determine the amount of University credit that would apply. Guidelines for the Portfolio include, but are not limited to, direct documentation and indirect documentation.

Direct documentation includes products, reports, plans, and performances that the student has created. Examples of direct documentation may include reports, assignments, articles, brochures, manuals, computer programs, products, journal articles, lesson plans, workshops, lectures, poems, blueprints, drawing, sculptures, or audio/video tapes of speeches, training demonstrations and performances.

Indirect documentation is a third-party validation/verification or learning. Indirect documentation refers to letters written by qualified individuals who can verify the student's learning. Good sources of indirect documentation include employers, co-workers, and business partners. This type of documentation is a verification that the learning occurred, and not just a recommendation or reference. Examples of indirect documentation include letters written on the student's behalf by employers, teachers, business partners, or members of professional organizations. Other examples are promotion evaluations, awards, letters of commendation, formal performance appraisals, job evaluations, newspaper articles, course outlines from secondary learning/union training/workshops/seminars, job descriptions, books read, bibliography, membership in professional organizations, and licensing examination scores.

URSHAN STUDENT LEARNING STANDARDS AND OUTCOMES

PHILOSOPHY

Urshan University strives to educate all its students in the most effective manner to produce not just competent graduates, but exceptional learners. As a result, Urshan University has adopted a set of standardized student learning outcomes that ensures course content harmonizes with end-of-program expectations for student learning and competence. These outcomes were selected from the Degree Qualifications Profile or DQP (Lumina Foundation, 2017). These outcomes describe what students should know and be able to do upon completion of an associate's or bachelor's degree in any discipline. The DQP standards, outcomes and competencies are interwoven in all course design and become critical elements of Urshan University's Assessment program. DQP outcomes are widely recognized and accepted among higher education professionals and have been adopted by more than 800 institutions in the U.S. and beyond.

DEGREE QUALIFICATIONS PROFILE CONCEPT

The Degree Qualifications Profile (DQP) describes the knowledge, skills and applications that prepare graduates to succeed in the economy, civil society, and their own lives. In developing the DQP, two assumptions were made. The first is that today's educational institutions need a shared set of reference points that describe the meaning and value of University degrees at the associate, baccalaureate, and master's level. The second is that developing a shared framework can enhance educational productivity by providing much-needed guidance – to students, faculty, employers, and policy leaders – both about what students ought to be able to do with their education, for work, citizenship and personal development, and about ways to foster and document students' achievement of DQP competencies, from formal study and from field-based settings such as work or community service.

DQP CATEGORIES OF LEARNING (COMPETENCIES)

DQP 1 - SPECIALIZED KNOWLEDGE

Specialized knowledge is the cornerstone of the professional core curriculum. Students are expected to gain knowledge and skills within a recognized field of specialization and to be proficient at applying that learning to complex problems within their specified field.

DQP 2 - BROAD AND INTEGRATIVE KNOWLEDGE

Broad and integrative learning involves students across degree levels in the practices of core educational fields including the sciences, social sciences, humanities, and arts. By exploring a global array of topics, students are prepared for effective civic participation and given a broader context for their specialized knowledge.

DQP 3 - INTELLECTUAL SKILLS

Evidence-based reasoning skills are the tools by which students gain both the broad and specialized knowledge necessary to future success. Such skills include:

- analytic inquiry,
- use of information resources,
- engaging diverse perspectives,

- ethical reasoning,
- quantitative fluency, and
- communicative fluency.

These skills enable students to interact with ideas and arguments from multiple reference points.

DQP 4 - APPLIED AND COLLABORATIVE LEARNING

This area focuses on students' ability to utilize their knowledge and skills in both classroom and real-world environments. Key here is developing fluency and innovation through collaboration.

DQP 5 - CIVIC AND GLOBAL LEARNING

This learning area enhances students' integration of knowledge and skills by engaging them with the task of responsible citizenship. Students are challenged to engage contemporary issues, understand competing perspectives and arguments, and develop and defend a coherent position in the current conversation.
